VOLUME 46, NUMBER 26

BOND ISSUE FOR MEMORIAL BLDG.

STATE HOLDS STAND, OLD WOODROW WILSON SCHOOL IS UNSAFE

Back in the lap of the Jefferson elementary school board today is the fate of the Woodrow Wilson elementary school.

In a letter Monday to the district, the state department of education reiterated its stand that the old building was unsafe. They said it was a menace to school children, either in or out of the building.

The city had hoped to "purchase" the building for use as county and city offices. But before the local school board could move they believed it advisable to contact Sacramento.

Mayor Paul Green said he would confer with a department representative this week to see if the building can be saved.

It appears the local school board can do little but confirm with the advice of the state. Mike Callan, who read the letter before the city council Monday night, expressed some doubt as to whether or not the building could be preserved.

The school board meets tonight, July 28. At that time some definite decision will be reached.

Originally the board had planned to tear down the building and make room for a playground. Then the city intervened and offered to give the board 11,000 square feet of yard area for a deed to the building.

City officials felt the elementary structure could be made "more than earthquake proof" by \$15,000 to \$18,000 worth of repairs.

Principal objection to this plan was that in case of earthquake, children near the building might be hurt. Several ideas were forth-coming to counteract this objection, but none seem to have effected the state's decision.

CITY GIVEN RED LIGHT BY STATE

It appears that the state division of highways is giving Daly City the "red light" on installation of traffic signals.

Mayor Paul Green recently sent a letter to the department asking them to set a date for installing signals at the junction of Mission street, San Jose avenue and Hillside boulevard.

It was three years ago that the city put up \$23,000 for its share of the signal project. Since then action by the state has been deferred time after time, Green said.

BUILDING PERMITS

With the jurisdictional strike of AFL roofers temporarily called off, the Westlake project was well underway again today.

This fact was testified to by Henry Doelger taking out building permits for 41 homes. The houses will be five and six room frame homes. Total value of the permits was recorded at \$370,826.

Other permits issued by the city last week went to: Anthony Dougherty, 561 Bellevue Ave., who took out a \$10,050 permit to put siding on a building as well as to trim all the windows with new paint.

A. L. Sundstrom, 174 Crocker Ave., to build three apartments in the vicinity of 200 Crocker Ave. One of the apartments will be for a single family and cost \$5,000. The other will be a \$12,000 wood frame duplex.

Peter Vitali and John Falconi, 7201 Mission street, have taken out a permit for a \$10,000 concrete block building. The two men hope to build a fruit stand at this location.

Harold Julian Charged With Reckless Driving

Ordered to answer charges of reckless driving, Harold Julian, 32 Willis street, will appear in police court tomorrow.

Julian is charged with going through an arterial stop Saturday, crashing into a telephone pole, and swerving back to smash into the

DALY CITY RECORD CLASSIFIED ADS GET FAST RESULTS

FOR SALE — Blonde, single bedstead, complete with inner-spring mattress and box spring. This classified advertisement appeared in last Thursday's Daly City Record. Robert L. Trafford who ran the classified reports:

"I had seven calls, and sold the bedstead the first day the ad appeared."

Want to sell? Want to buy? Use the Daly City Record classified advertising section.

CHANCES FOR DALY CITY POST OFFICE NOW APPEAR NIL

San Francisco's post office will continue to handle mail to and from Daly City.

This was the tentative conclusion reached by Mayor Paul Green today after studying the possibility of establishing a separate Daly City post office.

Mayor Green asserted establishment of such a branch was undesirable at this time, principally because of the finances involved. He indicated a regular Daly City postmaster would receive lower wages than the present station head.

Also service might be curtailed, as all cancelling and distribution would have to be handled through the local office with no more men than are employed now, Green added.

"Under these circumstances, I believe it is wise not to press for a separate post office at this time," Green said.

But Daly City may still be stamped on letters. Acting Postmaster John Fixa is scheduled to make a survey of this community in the near future. One of his recommendations may be that mail leaving this community be cancelled with a Daly City stamp.

Fixa is also expected to recommend a larger building and other increased facilities to handle the growing volume of mail.

SUP'RVIS'R WANTS RECORDER JOB, SM EXECUTIVE CLAIMS

A charge that county supervisors are deliberately delaying appointment of a county recorder was made yesterday.

Frederick Peterson, San Mateo county executive, made the charge, adding that one of the county supervisors wants the job for himself.

Denying the accusation was Supervisor Edward McDonald, who said it was just another "one of Peterson's political remarks."

Peterson went on to say he thought it was "bad business" that the county does not have a recorder.

"One of the two supervisors whose terms expire next year is delaying this appointment so the public interest will cease," Peterson asserted.

McDonald and Supervisor Martin Poss are the two supervisors coming up for reelection.

Supervisors have not yet made an appointment, because they have not completely examined all applications, McDonald said. He added no action would be taken until Poss returns from vacation next Tuesday.

Some 10 written applications have been submitted for the job left vacant by the late T. Clark Rice.

Among the applicants is Court Clerk Robert Duffy of Daly City.

guard rail at the Daly City theatre.

Police reported the Daly City man lost complete control of his car. He will appear before Judge William J. Sweeney.

NOW THAT SUMMER'S HERE—England, too, has been affected by the driest summer in many years. Her crops are in danger of drying up from lack of rain. The sinking level of this reservoir in Baldessdale threatens that section's water supply. It's already 350,000,000 gallons below normal level. The spot in which that man in center is standing would ordinarily be covered over with 14 or more feet of water.

CITY AWARDS GARDEN VALLEY STREET JOB

Residents of the Garden Valley Homes district will soon be driving over paved streets.

At the regular city council meeting Monday, L. C. Smith Co. was awarded the contract for paving the streets at Garden Valley. The San Mateo firm bid \$35,049 for the work.

This was the principal piece of business of the meeting, which was carried over in an adjourned meeting Wednesday night. Only thing done at the adjourned meeting was to appoint Lester Bastedo to the police force.

Bastedo, 338 Willis, will replace George W. Savage, 215 Hillcrest. Under the state employment retirement plan, Savage was automatically retired upon reaching the age of 65.

Returning to the Garden Valley projects, other bids on the job included: Raymond L. Brogato, San Mateo, \$38,107; Joseph M. Ladde and Son, Palo Alto, \$39,460; Peter Sorensen, Redwood City, \$43,339; Paul B. Fay Jr., San Francisco, \$43,575; Charles L. Harney, San Francisco, \$46,513; Eaton and Smith, \$55,185.

Reduction of assessments of Garden Valley property owners by nine per cent was also ordered by the council. The base for this reduction is an assessment ordinance, which although not passed, has been on the books since 1913 for determining rates of assessments.

In another appointment, David R. Newman, Daly City, was chosen by the council to fill a vacancy in the water department. Newman will begin work some time in the middle of August.

Following a brief but warm debate between Mayor Paul Green and Councilman Mel Battye a Union Oil Co. request to install a 500-gallon gas tank was denied. The company asked to put in the tank at the Swell Time Ice Cream Co., 6085 Mission.

A letter from Fire Chief Elmer Kennedy was read in which he termed such a tank a fire hazard. Other councilmen agreed with Kennedy, but not Battye.

"I don't see why a man shouldn't be able to put in such a tank to cut down expenses. . . . I think we could be more lenient and cooperative with the businessmen of Daly City," Battye said in part.

Mayor Green answered by saying the council also had to consider those on either side of the ice cream company. He asserted a tank in the middle of any city block was a potential fire hazard.

The meeting was adjourned until Wednesday, after the council approved a civil service board of review recommendation that police officers receive nine holidays a year.

Hickok Cited For Failure To Cramp Car Wheels

Harry M. Hickok, 132 S. Hermance avenue, Sierra Madera, allegedly failed to cramp his car wheels against a curb yesterday.

When Hickok came back to his car he found an empty space. But at the bottom of Knowles avenue he saw his vehicle.

The runaway auto had smashed into the back of John Grandy's car at 97 Knowles, and in turn pushed Grandy's auto into a car at 99 Knowles owned by Dale Pedrotti, police said.

Officers did not list the exact amount of damage to the three vehicles. However, Hickok was cited for failure to park his car correctly.

LONG GIVES BLOOD

Helping others through giving his blood recently was Robert Long, Daly City. Long donated a pint of blood to the San Mateo county blood bank. The bank supplies local hospitals with various types of blood free of cost.

APPROVAL OF \$395,000 BOND ISSUE FOR MEMORIAL BUILDING TO BE ASKED SEPTEMBER VOTERS

SAVAGE RETIRES AFTER 13 YEARS WITH D. C. POLICE

Doing his last tour of duty with the Daly City police department this week is veteran Patrolman George Savage.

Savage, 215 Hillcrest drive, will retire from the force after 13 years of active service. He is 65 years old and retiring under the automatic employment retirement plan.

During those 12 years patrolling Daly City streets, Savage recalls everything was "pretty quiet."

"No one ever shot at me, although once a fellow stuck a loaded gun in my face. I was trying to break up a card game fight," Savage recalls.

"With the pistol leveled at my head, I didn't say very much, just kept looking at him. Finally he lowered the gun. I took it away, and sent him home."

Other than this instance, Savage said there were few times when his life was in actual danger. He observed that most criminals stay a long way from Daly City.

Coming to Daly City in 1907, Savage started as a plumber's helper. Then in 1908 he was appointed deputy sheriff, under Sheriff Robert Chatam.

When Chatam was defeated in 1909, Savage went to work for a San Francisco warehouse concern. He worked for various warehouses until 1933 when he took up police work at race tracks. From there it was only a three-year jump to the Daly City police force.

Another landmark in both Savage's life and that of the community was his election as first captain of the city's fire department. That was back in 1909.

What are Savage's plans for the future?

"Probably just sit around for a while, until I get too nervous. Then I'll go back to doing odd jobs," Savage said.

Replacing the elder policeman is Lester Bastedo, 338 Willis. He has been a resident of Daly City for the past 3½ years.

Police Alarmed At Movement In Local Cemetery

Where's the body?

This is the question Daly City police and several witnesses are asking today after an incident at Cypress Lawn Memorial Park, Hillside Blvd., Saturday.

Late Saturday night, Daly City officers received several reports that young men were carrying two limp forms in the cemetery.

As the youths weren't dressed in the conventional black, and their method of transport wasn't orthodox, witnesses and police became suspicious.

One of the viewers, Mrs. Lena Wyrsch, San Francisco, stopped to get a better look at the cemetery parade.

Evidently wishing privacy, the youths picked up their "loads" and made a hasty exit in their car.

When Daly City police and sheriff's officers arrived on the scene they found nothing—neither youths, bodies, nor ghosts.

By way of explanation, Daly City Police Chief W. W. Sunderland stated today he believed the incident was probably some chapter in a fraternal initiation.

Ives To Answer Charge Of Disorderly Conduct

Scheduled to appear in police court Friday is Eugene I. Ives, Mason and O'Farrell street, to answer a charge of disorderly conduct.

The charge was filed by Mrs. Charline Wright, 401 Wellington avenue. She asserted Ives caused a disturbance at her home.

Ives claimed he went to Mrs. Wright's house to get some tools Monday afternoon. He put up \$50 bail, and will appear before Police Judge William Sweeney.

IS IT A STORK? IS IT A PELICAN?

—ASK CRUDO FAMILY

Winging its way toward a Daly City roof top Saturday was a stork-pelican.

The odd bird finally came to rest on the top of Mr. and Mrs. James Crudo's house at 65 Theta. There it sat, nursing a bad wing, for almost two hours.

It might have come and gone, no one the better informed, had not a neighbor boy spotted it standing on the roof.

Mrs. Crudo rushed out with a camera, but due to its distance from the ground and heavy fog, the bird made off without leaving behind any distinct photographic evidence of its presence.

Now the Crudo family is divided. Was the bird a pelican or a stork? Pelican insists one faction. Stork cries the other party.

No, the question can't be settled that way. The Crudo family is expecting no new additions, Mrs. Crudo said.

CAUSE OF DALY CITY YOUTH'S DEATH UNKNOWN

Still undetermined today is what caused the death of 9-year-old Daly City school boy George Bastedo.

The son of Mr. and Mrs. Otto Bastedo, 81 Tallwood drive, died Saturday morning in Community Hospital. Coroner William Crosby is now waiting for reports to determine whether death resulted from poison bread the youth ate, or from a kidney ailment.

Stomach specimens are now being examined by San Francisco toxicologist Joseph Swin.

George's parents told Daly City Police Chief W. W. Sunderland that their son had eaten bread on which a neighbor had spread ant poison. He, and several other children, ate the bread a week before George died.

Chief Sunderland said the parents did not care to take any action. The chief is now waiting the outcome of the coroner's report before going further in the matter.

"The whole thing may be dropped, or some action taken depending on the wishes of the coroner, or the boy's parents," Chief Sunderland said.

After eating the bread, George failed to mention his illness for several days. Then he became rapidly worse and was transferred to Community hospital.

None of the other children who ate the bread became ill, Sunderland was told.

George attended Woodrow Wilson school, and had one sister, Shirley, 10. His father is a machinist.

Funeral services were held Tuesday morning at the Colonial Mortuary of Crosby N. Gray and Co., Burlingame. Burial was at Woodlawn Memorial park in Colma.

The Chalet Opens Again On Sunday

One of Daly City's most popular eating places, The Chalet, 1913 Junipero Serra boulevard, will reopen this Sunday at 4 p.m.

Chef Jack Schiller and wife operate the restaurant which was closed several weeks ago for repairs and redecoration.

Seating capacity of the eating place has been increased to 75. Mrs. Schiller reports, she said new paint, a knotty pine finish, and several other features have been added.

As chef of the Whitcomb hotel, San Francisco, Schiller is in a good position to know about foods. He goes to work for The Chalet late in the afternoon when he prepares the evening meal.

Mrs. Schiller cooks the lunches at The Chalet, and supervises the general operation of the business and the serving of food.

Voters probably will be asked to approve a \$395,000 bond issue in September for a new war memorial building, and improved park facilities.

At a caucus of city councilmen last night, tentative plans were drawn up for a special bond election September 27.

The plans will come up for approval at the regular meeting of the city council August 8.

This move culminates almost four years of planning by the city for a war memorial building. Of the \$395,000 in the bond issue, \$275,000 will be set aside for the structure.

Acquisition of three new park sites, in northern, southern and eastern parts of Daly City, and improvement of three existing parks will account for the remaining \$120,000.

The community center would be built on the rectangular plot of ground bounded by Alp avenue, Mission street and Hillside boulevard. This land was purchased by the city over the past few years at a cost of \$23,000.

As yet, no architect has been chosen to design the war memorial building. Mayor Paul Green said an architect would be appointed some time "in the near future."

However, present plans call for a two-story structure. On the top floor would be an auditorium with a seating capacity of 1,000 persons. This also could be converted into a basketball court.

There would be one large meeting room for veterans' and fraternal groups. Two other smaller rooms would also be available for meetings.

A modern kitchen would serve all those using the hall.

On the ground floor, under the auditorium, a teen-age center is contemplated. This would consist of two large rooms for games and smaller rooms for crafts.

Money set aside for parks would include improving present facilities at Marchbanks, Lincoln, and Westlake. Other funds would be used to purchase property, in yet to be determined spots, in three corners of the city.

"We have all too few facilities for children to use," Mayor Green noted. "Money for these two projects would be well spent."

In arguing for the bond issue, Mayor Green asserted that the present bond indebtedness of Daly City is on \$8,000. He said this could extend to \$20,000.

The city will receive no help either from county or state for the proposed recreational centers, Mayor Green said.

CITY MAY USE SF SEWAGE DISPOSAL, AVOID BUILDING

Instead of constructing a sewage disposal plant, Daly City may tie in to the San Francisco Sunset sewage unit.

This was the latest move today in an effort by the city to find a place for sewage other than the ocean. Under a new state law, the state is "urging" cities to find some method, other than ocean disposal, to get rid of sewage.

Rather than build a separate plant, the city may find it cheaper to tie in with San Francisco. Under this system, the city only would have to pay for maintenance costs, and for a pipe line from here to the Sunset plant.

City officials have contacted San Francisco sanitary officers, but as yet have received no reply.

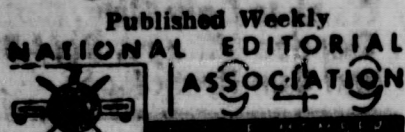

What the cost of a sewage disposal plant might be is indicated by a \$2,000,000 bond issue for such a plant approved by San Bruno and San Francisco Tuesday.

A \$286,500 bond issue was approved by San Bruno by 11 to 1 majority. South San Francisco voters approved a \$1,667,400 issue.

A domestic sewage treatment plant will be constructed at a cost of \$757,800. Another \$1,238,000 will be used to construct an industrial sewage treatment plant. About \$25,000 will be used to purchase a plant site.

Retirement of bonds will be made through a fixed rental charge on sewage disposal. The rentals will amount to about 60 cents per home.

GANGLAND CHALLENGE

The outbreak of gang warfare in Los Angeles concerns the whole state of California. The evidence of growing gangsterism in the state's largest city foreshadows its spread throughout the state — if indeed, it has not already spread to some parts of it.

Swift and effective action is needed now both on the local and state levels before the situation becomes worse. But whether or not such action will be taken will depend largely on the people. If they are indifferent to gangsterism and all that goes with it, then hoodlums will continue to do business in California and others of their stripe will come here too.

But if there is a strong public demand for a clean up now—right now—it can be had. No law enforcement agency would dare shirk its responsibilities in the face of an aroused citizenry. If it did, the people could force the removal, or bring about the recall of noncooperative officials.

Shall we preserve California as a desirable place for decent people to live or shall we make it a happy hunting ground for hoodlums?

SAME OLD PATTERN

We were sure we wouldn't make the same mistake in Germany this time that we made following World War I. This time the offenders were to be punished. This time the world was to see the cause of justice triumph.

At the start, we seemed to get off on the right foot. The top Nazis were rounded, tried and punished. The little Nazis were barred from holding office. Thousands of others in between were dealt with according to the offenses proved against them.

Four years have passed since the end of Hitler's Reich. Four years is a short time. Yet, the pattern—the old pattern—is beginning to emerge once more.

More and more non-Nazi officials are being dismissed from office and former Nazis are taking their places. Sentences in war crimes trials still being held are becoming softer—so much so in some cases that they virtually amount to no punishment at all.

If we do not watch what's going on in Germany we may find in a few years that Nazism under new leaders will be on the march again. And we will have done our part in reviving it by dealing out sickly justice to those who at first opportunity are ready to repeat their crimes against humanity.

FAIR PLAY

Senator Scott Lucas of Illinois has introduced a bill which, if passed, should help to correct a flagrant injustice which has arisen in recent years. The Lucas measure would assure any witness called before a congressional committee the opportunity to defend himself and to cross-examine other witnesses who make charges against him. On too many occasions congressional committees have ruined the reputations of individuals and thus deprived them of their livelihood without the accused ever having a chance to properly defend themselves.

The Un-American Activities Committee has been the chief offender in this respect. The proposed bill would not only contribute to greater fairness in congressional hearings but would also serve to throttle some of the careless charges made primarily for their publicity value.

Ticklers

By George

"Go easy on those ice cubes... You'll need some in the morning for that big head of yours!"

Daly City Summer Recreation Calendar Holds Interest For All The Family

Perhaps there is a child in the family who just "can't find anything to do" during the summer months. If this is the case, the following calendar of Daly City recreation events will be of special interest.

Or if there is an adult member of the family who wishes to learn folk dancing, or study some craft, there is a spot for them in the recreation program.

BASEBALL — Jefferson High school, 10 a.m. to noon, Tuesday and Thursday, all day Sunday; Marchbanks Park, Sunday, 10 a.m. to 2 p.m.

BASKETBALL — Castle Hall, 7339 Mission street, Monday and Wednesday, 7 to 9 p.m.; high school, Monday, Tuesday, Thursday, 7 to 9:30 p.m.

HANDICRAFT — Parkview Center, MWF, 10 a.m. to 4:30 p.m.; Jefferson elementary, MWF, 3:45 to 5 p.m.; Peoria TuTh, 10 a.m. to 4:30 p.m.

FOLK DANCING — Jefferson high school, TuTh, 1-2 p.m.; Bellevue Hall, every Th, 1:30-2:30 p.m. and 2nd 4th Th, 7:30-8:30 p.m.; Bellevue Hall, F, 8-10 p.m. for immediate adults.

BOXING — Jefferson high school, MF, 1:45-2:30 p.m.

TWEEN TEEN CLUB — Bellevue hall, M, 7-9 p.m.; Castle hall, Th, 7-9 p.m.

TEEN AGE CLUB — Castle hall, TuF, 7:30 p.m.

TUMBLING — Boys at Jefferson high school, MF, 1-1:45 p.m.; girls at Jefferson high school, TuTh, 2-3 p.m.

TENNIS — Jefferson high school, MF, 2:30-3:30 p.m.

BADMINTON — Jefferson high school, W, 7-9:30 p.m.; for twelve teens, F, 7-9:30 p.m.

SWIMMING — Jefferson high school all week from 2-4:20 p.m. and 7:30-9:30 p.m.; S, 2-4:30 p.m.; pool closed Sunday; women and girls W evening.

MOVIES — Jefferson high school, M, 9:30-11:30 a.m.; Bellevue hall, M, 2-4 p.m.

DRAMATICS, RHYTHMICS — Crocker, M, Tu, Th, S, 10 a.m. to noon; Jefferson elementary, TuTh, 1-2:30 p.m.; Marchbanks, TuTh, 3-4:30 p.m.

PLAYGROUNDS — Supervised Monday through Friday 9:30 to 5:30 and Saturdays 9:30 a.m. to 1 p.m. for general playground activities.

SPECIAL EVENTS — Family Swimaree, July 30, 7:15 p.m.; Jefferson High School pool; Talent Show, August 5, 10:30 a.m.; Jefferson High School auditorium; outings each Wednesday, see local playfield director for time and place.

COASTER WHEELS AVAILABLE FOR LEGION DERBY

Plenty of wheels are now available for boys wishing to build coasters for the Broadmoor Legion post "Coaster Derby."

The derby will be run off August 28, and is open to all boys between 11 and 15 years of age.

Cars entered in the race may be of any general design, but they must have regulation type wheels. These wheels may be obtained free of cost, if the boy will contact the Broadmoor Legion Post.

Local merchants have agreed to back various entrants by paying for the set of \$10 wheels, officials of the Broadmoor post declared.

As witnessed by winners of the San Francisco soap box derby, it is not necessary to have a fancy coaster to win. The victor in that race came through because their cars had the most accurate wheel alignment, the most sensible streamlining, and the best distribution of maximum weight.

Further information on the derby may be obtained by calling Larry Green, JU 4-8543.

DALY CITY DRIVER TAKES MAIN EVENT AT BAYSHORE RACE

By Tom Tromborg
Smiling Johnny Smith of Daly City led a field of the 12 fastest qualifying cars last Friday in the main Bayshore event to take the checkered flag as the winner.

The one-time Salt Lake City champion got into the lead early in the race and was never headed, although pressed by the field from the start to finish.

As is his custom, Smith drove a smooth 25 laps with all the brilliance that proves a champion. It took all his driving mastery to avert the onrushing challenges of Piper, Normi, Bennett and a host of other speed kings who flirt with the percentages of life and death.

Meanwhile, Jolten Jerry Piper, master of speed and death, defends with all his cunning his point standings in the Bay Cities mid-gut auto racing 1949 crown. He will be matched against the fast rising tide of victories from Marvin Burk. Burk now challenges Piper as king of speed in Northern California.

Piper's race has been set at a fast pace, but the rise of Burk in the last month has had racing fans in a state of excitement in the expectant wire to wire finish in the race for the crown. The race for the point standings is tight and a win streak by any of the four top drivers in the point standings could change the picture of who is to be champion over night.

The ever looming threat of Fred Aggabashian still rides the speedways, as the four top drivers near the finish of the season. Aggie has begun to move fast in the point standings, but his climb will have to be nothing short of spectacular to get him his fourth consecutive title.

The thrill of watching two racing masters in action has been the feature of the last two Fridays as Bayshore stadium. As Jerry Piper and Fred Aggabashian have been matching their skills in two tremendous and exciting trophy dashes. Though Piper has been the victor, the margin of victory has been less than a wheel and come any more such races and the margin of just such a wheel could give the flag of victory to the B. C. R. A. champion, Fred Aggabashian.

If this pace of speed and fury continues those who like it fast and speedy will surely see the absolute maximum of it at the mid-gut races every Friday night at Bayshore stadium.

James Donahue Is Home From Dealer Meeting

James E. Donahue, Daly City De Soto-Plymouth dealer, has just returned from attending a meeting of the De Soto Dealer Association of Northern California held at the Claremont Hotel in Berkeley.

According to Donahue the business sessions were of the "shirt-sleeve" variety reminiscent of the spirited gatherings held in prewar days in automobile circles. Plans for further improving automobile sales and service to the motoring public came in for thorough discussion.

Donahue proposed several plans which will be adopted by the dealers for making cars and service available to more and more buyers under the recently liberalized credit regulations.

Presiding at the meeting was Robert A. Waters, San Francisco, president of the association. Principal speaker was John W. Allen, San Francisco dealer.

Guests of honor were Keith R. M. Zinger, Plymouth district manager, and Robert C. Burlan, Jr., district manager for De Soto.

New dealers at the meeting and elected to membership in the association were Charles H. Retzlaff, Marysville, and Howard Davis, Sonoma.

AUTRY TO APPEAR IN OPTIMIST CLUB SHOW AT S. F. THIS WEEKEND

Gene Autry, spur and boot idol of radio and screen, arrived in San Francisco this week.

The famous cowhand will make a series of personal appearances in the Madison Square Garden rodeo, coming this week end at the Cow Palace. Money from the show will be donated to the Union Square Optimist club for their national boys foundation.

Performances will be given Friday, Saturday and Sunday evenings and Saturday and Sunday matinees, July 29, 30 and 31.

CDA Group Marks 19th Birthday

Observing the organization's 19th birthday, ladies of the Court of St. Mary No. 1155 CDA held a party at their last meeting.

Members dressed in children's clothes, and staged a grand parade through the Masonic hall. Following the parade there was a song fest and various games.

A dinner followed, with a large birthday cake as the principal centerpiece. Mrs. Katie Core was social chairman, and Mrs. Evelyn Weckerle entertainment chairman.

Vice Regent, Mrs. Valetta Ennis was in charge of the Thursday meeting in place of Grand Regent Elizabeth Wettstein who was on vacation.

The first August meeting of the group will be held August 4, 8:30 p. m., in the Masonic Hall, 17 Hillcrest.

The love-song of the red-headed woodpecker consists of drumming with the beak on dead branches.

In 858 the two sons of the Emperor of Japan wrestled to determine which should have the throne.

For parking in bus zones, or failing to observe a pedestrian's right-of-way the following were fined: Alf H. Carlson, \$5; Erickson (no first name given), \$5; William J. Heleher, \$2.50; John M. Koller, \$5; Michael O'Meara, \$7.50; Leon Slade, \$5.

Those who failed to observe stop lights or signs and paid \$2.50 fines include Alexander Armos, Elmon Roy Brady, Herbert V. Brody, Sept Eardale, Frieda Hansen, Andre Marrot, Gino Mihelli, Marinas Roth, Robert Rue, Otto P. Thormities, John Widme, Percy Rosenbaum paid a \$2 fine on the aforesaid charge.

Meanwhile, the greatest number of traffic violations last week were, as usual, for speeding. Those so charged included: Edwin Caltier, \$7.50; Lewis Coleman, \$5; William Emrick, \$5; Roger Fourcade, \$5; Blanche Griffiths, \$7.50; Betty A. Hayer, \$5; Sidney Herzog, \$2.50; Bevin Hobbs, \$15; Frank Jenko, \$10; Robert Lyles Jr., \$5; Robert Nofziger, \$5; Stephen J. O'Brien, \$7.50; Lawrence E. Pearson, \$5; Meryl A. Royal, \$7.50; Malcolm Taylor, \$5; Mrs. Frank White, \$3.

Those who failed to observe stop lights or signs and paid \$2.50 fines include Alexander Armos, Elmon Roy Brady, Herbert V. Brody, Sept Eardale, Frieda Hansen, Andre Marrot, Gino Mihelli, Marinas Roth, Robert Rue, Otto P. Thormities, John Widme, Percy Rosenbaum paid a \$2 fine on the aforesaid charge.

Meanwhile, the greatest number of traffic violations last week were, as usual, for speeding. Those so charged included: Edwin Caltier, \$7.50; Lewis Coleman, \$5; William Emrick, \$5; Roger Fourcade, \$5; Blanche Griffiths, \$7.50; Betty A. Presbyterian Church Plans Quilting Bee

An old fashioned quilting bee will be held at the Grace Presbyterian Church, Hanover and Evergreen streets, August 4.

The bee was planned at the Monday night meeting of Group Six of the church. The meeting was held at the home of Mrs. George South, 181 Acton street. Mrs. H. S. Holcomb will be in charge of the bee.

Also meeting last week were members of Group Five at the home of Mrs. William Hassett, 369 Vista Grande. This group met to honor Mrs. Emma Hassett at a handkerchief and birthday party last Friday.

Those present included: Bertha Kesler, Eliza Flook, Mattie Franklin, Mildred Carrothers, Greta Thorne, Della Beal, Celia Stewart, Emma Hassett and Lydia Harberts.

At a meeting of Group Four last Thursday, Mrs. Maurice Guonod, Peoria street, was hostess. Mrs. R. Traxler was present and supervised the making of new children's choir robes.

FUND RAISING WHIST GAME DUE AUGUST 5

Whist will be the order of business at the Masonic Temple, 17 Hillcrest Drive, August 5.

Beginning at 8 p. m. whist games will start up in various parts of the hall. Sponsoring the party is the association to raise funds for the Bethel of Jobs Daughters.

It is hoped that through a series of such games enough money may be raised to start a Daly City chapter of the BOJD sometime in November.

FIVE MEN LOSE ON LOTTERY TICKETS

Pleading guilty to operating a lottery in South San Francisco, five men were fined \$200 each in justice court Thursday.

The lottery was run at Colma's Lovchen Gardens on Hillside Blvd. Arrested June 17 on a sheriff's office raid at Colma's Cabbage Patch and the Lovchen Gardens were: Arnold Leon, Kee Hing Wing, Henry Gay Lai, Jue Loo and Lim On.

Justice John J. Fahey heard the case. The five men were defended by Attorney Saul Ross, San Francisco.

Floral Fiesta Biggest, Best

Flower lovers will probably see one of the most impressive floral displays in the state at the Floral Fiesta this year.

Floyd Tower, president of the San Mateo county fair, said all gardens, with the exceptions of the junior amateur division, are in and soon will be blooming.

Plans are nearing completion for the grand opening ceremonies, Wednesday night, August 10. The VFW will stage one of the biggest opening parades the fair has ever staged.

The Floral Fiesta is scheduled from August 10 to August 20 at the fair grounds.

NAVY HAS TRAINING PROGRAM FOR YOUTHS IN VARIOUS TRADES

Places for high school graduates in 20 naval training schools are now available.

The training program offers young men the opportunity to learn a skill, using the best of equipment, while receiving \$80 a month.

Graduates selected for this program are notified before they enlist. Schools are open in: electrical, diesel engine, machinist, printers, radioman, journalist, photography and radar-television.

Further information may be had by contacting the naval recruiting office in Redwood City, or calling EM 8-1185.

Manslaughter Is Charge Against Sharp Park Man

Well known Sharp Park golfer, Lido Louis Landi, 21, was charged with manslaughter early this week.

The charge was filed against Landi for allegedly causing the death of Charles E. Goffin, 53, a San Francisco newspaperman when their cars collided on Coast highway June 26.

A suit for \$100,000 damages was filed against Landi in Redwood City last Saturday by the deceased's widow, Mrs. Edith Goffin.

Landi will be arraigned before Justice John F. Fahey today, July 28.

Markovich Now Sells Polio Insurance

Insurance against infantile paralysis is now being sold by Peter J. Markovich, 6454 Mission street. Markovich recently obtained the agency for the Continental Casualty Company's new two-year polio coverage. The policy covers every member of the family and pays polio-incurred expenses up to \$5,000.

For each family member, or individual, the policy pays hospital bills, iron lung rental, doctor bills, nurse expenses, transportation and ambulance service.

Further information may be had by contacting Markovich at 6454 Mission street, Daly City.

Eagles Drum Corps Begins Playing, Drummers Are Needed

Drums and 18 interested players showed up Monday night for the first meeting of the Colma - Vista Grande Aerie No. 1848, Eagles drum corps.

The Aerie now has all the drums needed as well as other necessary equipment. Those interested in playing are advised to contact Glen Wilkes, JUNiper 5-9738.

Rehearsals will be held each week, or at further intervals, depending on the wishes of the drum corps' members.

ON TRIAL—Otto Abetz, Nazi ambassador to France during the German occupation, stoutly maintains his innocence during his war crimes trial in Paris. His is the last war crimes trial scheduled in France.

Emydian Institute Installs Officers

A formal installation of new Emydian Institute No. 154 officers will be held August 2, 8:30 p. m., at Holy Angels Parish in Colma.

Mrs. Isabel Trelut, Emydian Institute Deputy, will install: Miss Mary Belli, president; Miss Mary Farette, first vice president; Miss Jean Cecchi, second vice president; Miss Joyce Veit, recording secretary; Mrs. Eda Giusti, financial secretary; Mrs. Alice Dolan, treasurer and Miss Stella Maffei, marshal.

Other officers to be installed include: Miss Dina Marengo, inside sentinel; Miss Evelyn Franco, outside sentinel; Mrs. Lenore Varni, Mrs. Mary Gianni, Miss Dina Marsili, trustees.

The new president will take over from past president, Mrs. Vera Ryan.

The following will work as the general committee for the evening:

Jean Belli, Della Graziani, Gertrude Stanghellini, Rosemary Flanagan, Louise Zanetti, Louise Olcese, Lenore Varni, Mae Varni, Stella Maffei, Mary Farette, Irma Rossi, Norma Allen, and Vera Ryan.

Anyone interested in attending the installation is invited to come to the Tuesday evening meeting.

FOUR NEW MEMBERS APPOINTED TO S. M. CTY. LEAGUE BOARD

Appointment of four new members to the San Mateo County Civic League board of governors was announced this week.

The appointees include: John Parker, Atherton, executive with

Woodrow Wilson PTA History

(This is the sixth in a series of articles reviewing the history of the Woodrow Wilson PTA.)

1943-44-45

The following officers for the Woodrow Wilson PTA were installed at a combined meeting: Mrs. Elise Hesselein, president; Mrs. Hazel Marsh, vice-president; Mrs. Ethel Saame, secretary; Mrs. Florence Hopman, treasurer.

Mrs. Martha Linden was chairman of the annual money-raising events. Monthly luncheon-whists were held at homes of various members.

The annual mothers' and teachers' tea was held in November. Two graduation parties were given and a Christmas tree and candy given to primary children.

Honorary life membership was presented to Mrs. Elise Hesselein. A combined founders' day meeting was held in February at the Jefferson high school. Members donated blood to the San Mateo Blood bank and Red Cross.

Cookies were donated to the blood bank. U.S. Savings stamps and bonds were issued by PTA members to the school children purchasing them. Members also assisted with the war chest, Red Cross, and war bond drives.

Volunteers worked at the production room of the American Red Cross rolling bandages, sewing and knitting. Donations were made to the war chest, and other organizations.

A presentation of the certificates of achievement attainment were made to the unit.

FOE Auxiliary Picnic Planned

The annual Ladies Auxiliary FOE No. 1848 picnic will be held this year at San Mateo Memorial Park, on August 10.

Mrs. Agatha Heyden will be program chairman. She announced today that there will be a truck to take some of the members to the picnic. A limited number of private cars will also be available.

Further information on the affair may be obtained by contacting Secretary Frances Nentel.

The program chairman also announced there will be sewing club meetings the first Tuesday of every month at the Eagles hall from 1 to 3 p. m. First meeting will be August 2.

Members are also planning to visit a Veteran hospital August 3. Here they will entertain the patients with games. Anyone interested in going should contact Mrs. Heyden.

The American Marine Paint Company; Marshall Dill, Woodside, bay area civic leader; J. H. Carson, Leslie Salt company executive, and C. B. Welner, present county grand jury foreman.

S. A. Keyson, league president, said the league devotes itself primarily to a year-round study of county government operation.

Shower Held For Miss Velma Rossi

A bridal shower for Miss Velma Rossi was given Saturday, July 23, by Miss Irene Casassa with Mrs. D. Agresti as co-hostess. The shower was held in the home of Mrs. A. Chelone, 11 Garibaldi St., future mother-in-law of Miss Rossi. About 50 ladies attended the shower.

The bride-to-be is the daughter of Mrs. and Mrs. R. Rossi of 73 First avenue, Daly City. Her fiancé is Nathan Chelone. They plan to be married September 10.

HAWAIIAN REV. SPEAKS SUNDAY

Missionary to the Hawaiian Islands, Rev. Harold Hendrick will be the guest speaker in the Assembly of God Church, 6276 Mission street, Sunday.

At 11 a. m. services Rev. Hendrick will tell the story of his work at towns and in labor camps on the Islands. The public is welcome to attend the services, as well as the evening meeting when Pastor Melvin Steward will be speaking. Meanwhile, the church has plans

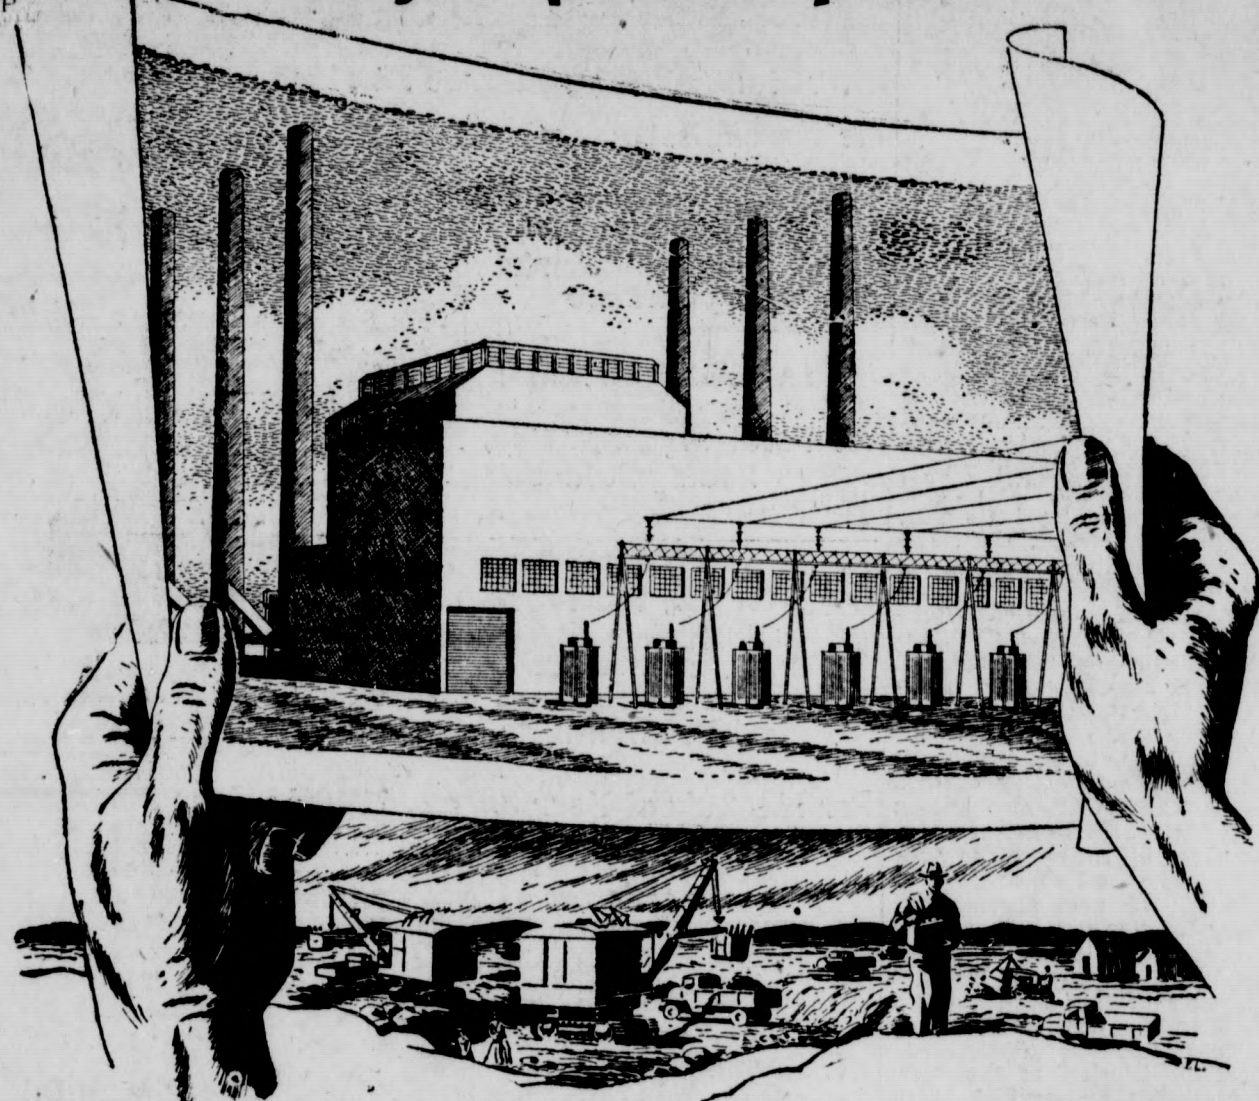

for vacation bible school. Under the direction of Miss Margaret Bernhardt, the school will enroll children between 4 and 14 years of age.

As well as a thorough study in bible stories there will be handiwork, games, stories, singing, and contests between the children.

The classes will run from 9:15 a. m. till 11:45 a. m. daily Monday through Saturday. The closing night, August 12, will be open to the parents and friends.

All children are invited to come and transportation will be provided by calling DE 3-1604.

Work begins on 76th major power plant

One of the largest powerhouses ever built in California is now underway—Contra Costa Steam Plant. When completed, it will become P. G. and E.'s 76th major plant—will create 402,000 new electrical horsepower.

That's enough energy to supply Oakland, Stockton, Richmond, Tracy, Emeryville and South San Francisco. It will include three mammoth generators, fuel oil storage tanks, switch yards and boilers tall as eight-story buildings.

Good jobs will go to about 1,500 workmen. Wages will account for much of the project's \$51,500,000 construction costs. A large share of these wages will flow to local businesses.

Schools, too, are a principal beneficiary wherever P. G. and E. builds plants because of the increased taxes the Company pays in the communities where our properties are located.

for the record

When Contra Costa plant is completed in 1951, P. G. and E. will have doubled its prewar electrical output...

...from 2,000,000 to 4,000,000 horsepower. This is America's greatest power-building program.

Work never stops on our power-building program

LOCAL YOUNGSTERS TO PERFORM IN RECREATION TALENT SHOW

Future artists of concert, radio and stage will perform with others at a recreation program talent show August 5.

For the second time in as many years, the show will be run off at 10:30 a.m. in the Jefferson high school auditorium. Those performing in the show will range from three to 21 years old.

Instrumental, dancing, singing, recitations, skit and stunts are the principal types of talent to be on display.

Each playground may have five entries, each of which may take three minutes to perform. The playgrounds will put on a 10- to 20-minute program.

First prize will afford the winner a chance to buy 300 one-cent suckers. The best performer in each category will receive tickets to the Daly City Theatre.

Not quite so distant is the family swimmer, due to come off this Saturday. The party is for the whole family and will be held at the Jefferson high school pool from 7:15 p.m. to 9:30 p.m.

Happy Birthday!

Between the end of one month and the beginning of another, there are only seven birthdays in the Daly City-Colma area.

To these seven persons Harry wishes the best of everything on this day of the year set aside especially for them.

July 29—Livia Pellice, no address given; Lilian Lowenstein, rt. 1, box 190.

August 1—Bart Shulda, 82 Market street.

August 2—C. E. Sweeney, 3416 Twenty-sixth, South S. F.

August 3—Maureen Marcini, 1116 Nimitz Drive; James Graziani, 28 Pedro.

August 4—Mrs. J. W. Davy, 44 Augusta.

EVERY PARTY NEEDS A BEAUTIFUL CAKE
Decorated by
HARRY'S Pastry SHOP

Sometime next week each of the playgrounds will have several outings to places in and around the Bay Area. The date, time, and place of these outings may be obtained from each of the playground directors.

Although the dogs, 40 in all, outnumbered other pets at the big pet show held last Friday, "Jo-Jo", the pigeon, "Rocket", the oversize bull frog, and "Stretch" and "Fuzzy", the caterpillars, came in for their share of awards.

These and other "odd" pets to take blue, first place awards were won by owners: Donna Achella, Billy Kelley, Lauren and Armen Faber, Geraldine Lunghi, Teddy Summer, Judy Faber and Helen Kelley.

As usual the dog division of the show was a howling success. Although most of the canines enjoyed renewing acquaintances, some apparently were still carrying grudges from some previous grudge meeting. These belligerent barkers had to be kept away from one another.

In the dog contest there were the following winning dogs owned by: best tricks, Claude Keeter; James Rector, Pauline O'Connor; best cared for, Aurey Devoro, Jim Dowell, Donald Magnuson, Mary

LET IT RAIN—This girl laughs at a shower. She's wearing a new water-repellent scarf, fashioned of soft, pure silk. It's a decorative accessory that offers real protection in a sudden rainstorm.

Schooler; largest, Jimmy Stone, Linda Saarinen, Jimmy Lait. Smallest, Donna Shulda, Carol Quint, Donna Shulda; longest fur, Jim Stone, Pauline O'Connor, John Wills; longest ears, John Wills, Vince Leonetti, Ronald Magnuson; prettiest, Jim Dowell, Tyn Nottingham, Gail Quint.

Most spots, Tyn Nottingham, Donald Magnuson, Margo Govosge; best costumed, Vince Leonetti, Tyn Nottingham, Carol Quint.

Other general awards went to pets owned by: Charlotte McDonald, Geraldine Lunghi, Carol Quint, Armand Faber, Lauren Faber, Teddy Sauma, Jim Stone, Vince Lauretti, Linda Scarvues, Richard Laudis, Judy Fakar, Teddy Saumer, Jim Dowell, Mary Alice Olson and Geraldine Lunghi.

In the frog jumping contest, "Rocket" outdistanced all his rivals to bring in the first prize for his proud owner, Billy Kolksy. After much coaxing the frog took off and made a four-point landing one foot, nine inches from the take off line.

Bubble-gum entrants Carol Gloues and Dale Long, and Marlene Harris proved for blowing the biggest bubble.

Earlene Kendrick won the girls watermelon contest, while Martin Van Grundy took the boys prize.

Cracker eaters Jim Rector and Carol Gloues were able to give with three whistles first for the boys and girls respectively.

Shirley Iverson placed first for the girls in pie eating, while John Jenna did the honors for the boys.

Events at the playgrounds last week included: **MARCHBANKS**—The group from Marchbanks visited the baseball school at the Jefferson high school. Director Smith took a group of boys up to Lincoln Playground where they won a basketball game. After the pet show Friday, Marchbanks was host to other playgrounds.

LITTLE JEFF—For the last few weeks boys and girls have been making hand puppets in preparation for a show they are planning. The show will be put on sometime next month for mothers of the children.

LINCOLN—A small party from Lincoln attended the Junior Museum. Marchbanks defeated Lincoln in a basketball game, 31-25.

Production of maple sugar in 1948 was the lowest on record, according to the Britannica Book of the year.

ALL ABOARD

Hundreds of San Franciscans are each day visiting Community Chest agencies in all neighborhoods of the city on the "Come-and-See" tours of the Chest. Here Dr. Ivan C. Heron, president, and Dr. Helen Wayrauch, vice president of the San Francisco County Medical Society are greeted by youngsters of the Infant Shelter, a Chest-supported

Daly City Couple On Honeymoon In Southwest States

Enjoying a honeymoon in the southwestern United States today are Mr. and Mrs. Mike Migliore.

The couple were wed last Saturday at All Souls Catholic church in South San Francisco. It was a double ring ceremony, with Father Varni conducting the service.

Mrs. Migliore is the former Lola Mangini, daughter of Mr. and Mrs. John Mangini, A street, South San Francisco. The groom is the son of Mr. and Mrs. John Migliore, 27 W. Cavour street.

A graduate of Jefferson high school, Mike was a member of the 11th Airborne Paratroopers. He is now employed at the Olese Hog Co.

The bride is a graduate of South San Francisco high school and is employed at the Pacific Telephone and Telegraph Co.

Dressed in white satin, the bride wore a distinctive dress with an off-the-shoulder white ruffle effect. She had a finger-tip veil, a beaded crown, and carried a three white orchid bouquet.

Maid of honor was the cousin of the bride, Miss Clara Corucini. Bridesmaids were Emma Petrocchi, Carolyn Migliore and Barbara Gotelli.

They were dressed in ice green sateen gowns in the same style as the bride's dress. They wore peach carnation cascade corsages.

John Migliore was best man while Jimmy Aveggio, Leo Scramaglia and Henry Sutter were ushers.

Wearing a mink coat over a navy blue dress, the groom's mother also had an orchid corsage. The bride's mother wore a maroon satin dress under a black coat and an orchid corsage.

Following the wedding, some 500 people attended a reception at Colombo Hall. Here they danced to the music of an orchestra and helped to eat a five-tiered cake.

Fishermen Hooked By Running Tide

It pays to watch the tide regardless of how the fish are biting.

This was the advice today of three San Mateo county men who were stranded 12 hours Sunday by high tide on a reef near Purissima creek.

The men are: Ira F. Sebring, 38, Wesley Meek, 32, both of Redwood City and Thomas Osterman, 36, San Mateo.

Companions on a fishing trip, the three men waded about 300 feet to a rock at the end of a reef early Sunday morning. The reef is about four miles south of Half Moon Bay.

A few hours later, the men looked up from their lines to find themselves surrounded by water. A passerby noticed their plight and called the Coast Guard.

But the Guard was unable to assist them, as the men were in a place where boats could not land safely.

As the waters rose, the men feared they might be swept off the rocks. Sebring, who could not swim, stood in one spot for two hours, not daring to move.

Finally at 1:25 a.m. Deputy Sheriff Don Hartnett signalled to the men to wade ashore.

When they came back to land the men were cold and hungry, and carrying 19 fish.

THUGS STAGE PARODY, WELL ALMOST, OF POPULAR SONG

Cigarettes, whiskey (no, not wild women), and a revolver were the loot in a robbery of Lucca's Market Saturday night.

Police said unidentified robbers made off with a case of whiskey, several cartons of cigarettes, and a .38 calibre revolver. Entrance to the 7376 Mission store was gained through prying open the back door, and then knocking out a pane of glass in the inside door.

Before departing, the thugs also entered the refrigerator room alongside the building. They knocked two boards out of the side of the structure to get in, but took nothing, police said.

Red Cross Calls For Volunteers

Red Cross services go on in peacetime as well as war.

An examination of the production department of the San Mateo chapter will confirm the truth of the foregoing statement.

Under the supervision of Mrs. Wencel M. Barotsch, San Mateo, the department makes a wide variety of articles. These consist of everything from clothes for Navajo Indian children to bedpan covers for use in veterans hospitals.

It takes many volunteers to turn out this kind of work. Those interested in giving a helping hand are asked to contact Mrs. Barotsch at 1449 Bellevue Ave., Burlingame. She is there every Tuesday from 11:30 a.m. to 1:30 p.m., and Wednesday from 11:30 to 2:30 p.m.

Lomita Park Man Beaten By Thugs

Severely beaten by two young thugs Sunday was Donald F. Shank, 1000 San Anselmo Ave., Lomita Park.

Police said Shank was attacked as he walked along E. Camino Real near English Court. Evidently planning to rob Shank, the "two young men" hit him and dragged his body off the highway.

Recovering a bit as the man searched his pockets, Shank lashed out at one of them. The two men then beat a hasty retreat, fleeing in an automobile.

Shank told officers that the robbers failed to get away with anything.

Superintendent Job Open At Community Hospital

There is still an opening for an assistant administrative superintendent at Community hospital.

Applications are now being received for the job. Applications must be submitted to the San Mateo county civil service commission by August 20.

The assistant's salary starts at \$415 a month and has a maximum of \$519.

Choice of the San Mateo County Democratic Central Committee for the third superior court judgeship is Judge John J. Fahey.

Justice of the peace for the first township of San Mateo county, Fahey is a resident of Broadmoor and a practicing attorney in Daly City. His family helped to pioneer the Daly City area.

Establishment of a third court in San Mateo county was recently secured by Assemblyman Richard J. Dolwig.

Governor Earl Warren was sent the recommendation. Governor Warren will name the judge for the county's third court.

McGraw Bros., Daly City

Never Too Old To Speak Of Love, Daly City Sexagenarian Composes Heart Song

Singing and composing love songs at 69 years old is Daly City resident Walter Harrison.

Harrison, now living with his son at 268 Los Olivos avenue, recently had one of his lyrics recorded by Columbia Records. The scintillating melody is entitled "Bright Eyes," and speaks of a gentleman's longing for his beloved.

"I've always been very romantic, and I haven't changed a bit," Harrison observed.

Although a potter by trade, Harrison has composed many songs. One of these, "Uncle Sammy's Calling," was featured in a 1916 George Cohan production.

Inspiration for this melody was brought on by the war. Harrison said he had five children to support, and the only way he could serve his adopted country was by writing a patriotic song.

Busy bringing up his sons and daughters, the native of England had little time for composing. It wasn't until 1½ years ago that he wrote another melody. Since then he has composed several moderately popular songs.

It isn't strange that most of his music is written to dance time.

"I go dancing several times a week," the sexagenarian noted. "I've always had a love for music."

Harrison got the idea for his latest composition while coming home from an old-fashioned dance. "Walking down the street, the title 'Bright Eyes' just hit me. The words and music came easy."

Most of his lyrics, Harrison sets to music picked out on a piano. He admitted he has never learned to play the ivory keys with any great skill.

Now that his family is grown up, and he has retired from designing pottery, Harrison says he will devote more time to song writing.

Explaining succinctly how he writes music, Harrison said, "It comes natural to me."

Sales of "Bright Eyes" also seem to be coming natural to the deLeon Music Store, 6127 Mission street. DeLeon reports he has sold all of Harrison's records, and is finding it difficult to order more through Columbia Records.

Where's There's Smoke There's Fire, Or An Exhausted Automobile

Ladder ladders were called out Monday night to a "fire" where a mechanic would have been more useful.

The house was the residence of Ward McAllister, 14 Partridge lane. About 7:52 p.m. a neighbor noticed smoke billowing from the rear of the structure.

Becoming alarmed, she called the Daly City Fire Department. When the trucks arrived they spotted the smoke, and hastily turned around without even so much as breaking out a fire extinguisher.

The black smoke was coming from the exhaust pipe of McAllister's car. He was running heavy oil through the vehicle.

DALY CITY TEAMS HOLDING TOP SPOT IN S. F. LEAGUE

Hitting the "old pill" with a vengeance, the Colma Junior Boys club won their fourth straight victory last week.

It was hardly less than a small battle, as the boys whipped the Little Village Market by the comfortable score of 13 to 1.

This win puts the boys in second place in the Class B American League in the San Francisco recreation department.

Meanwhile, another Daly City team, the Daly City Blues, appear to be having little trouble in holding their first place spot in the Class A National League.

Last week the Blues short-changed the Grocery Clerks by 11 points, to come up the victor by a score of 16 to 5.

Games this Sunday will have the Blues at Funston No. 2 fighting it out with the Ferrando Post at noon. The Junior Club will go on the Jefferson field at noon against the Deerhead club.

"... through the friendly cooperation ... of Bank of America ..."

"... we were able to build a model poultry processing plant... the largest in Southern California," said Mr. Louis Cesaretti, (right, above) president of Southern California Poultry Company. The plant handled 5,000,000 pounds in 1938, its first year. Ten years later, with continuing counsel and credit from the bank, the company sold 12,500,000 pounds of poultry and poultry products.

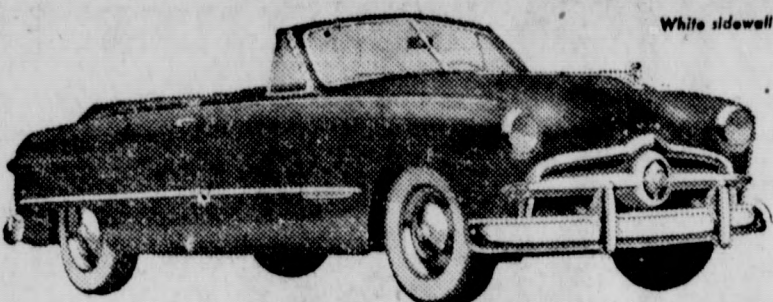

This is the kind of neighborly, progressive banking millions of Californians have found at Bank of America. If you like friendly banking service, come in... and Let's Get Better Acquainted!

Fair Belle

Little Belle Coupe, age 4, of Elk Grove, California, smiles engagingly as she poses with a purebred rabbit which will compete in the Livestock Show at the California State Fair, September 1 through 11. She's looking forward to the time when she can join a 4-H club and enter her own animals.

Whalebone comes from the skin lining the mouth of the whale, and is not true bone.

Local Girl Scouts Enjoy Camp Life

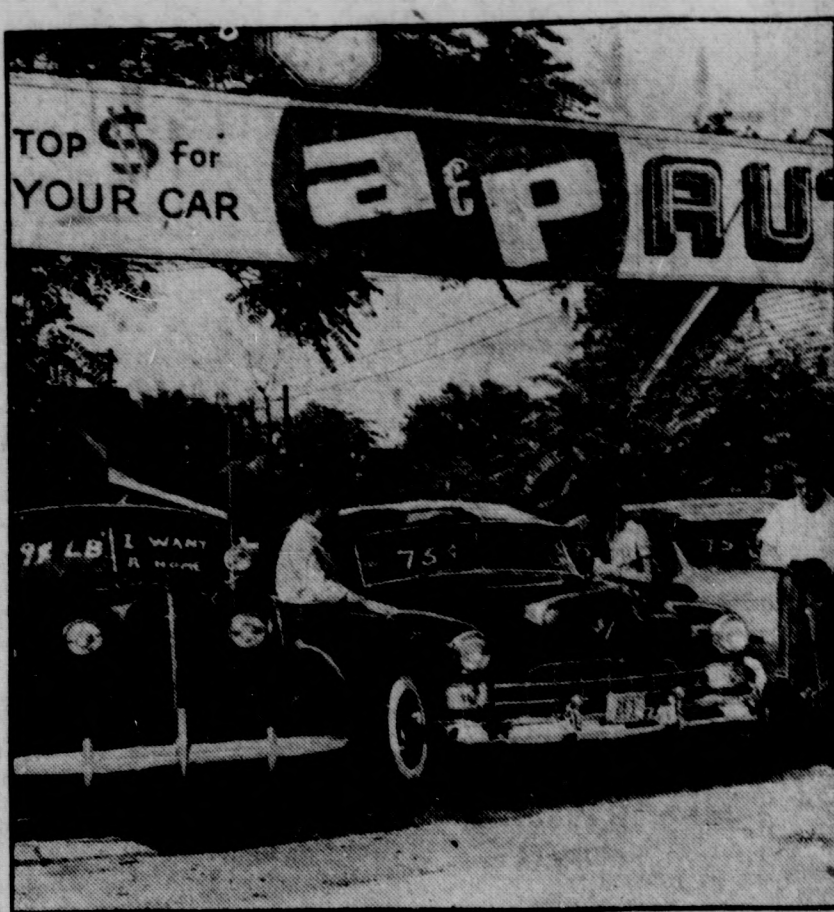

Enjoying the call of the wild, on a modified basis, today are 75 Girl Scouts from the Daly City area. The girls are now encamped in Camp Wasibo, Santa Cruz Mountains. They will remain there until the end of this week. This will conclude the second session at the camp.

Among those girls at camp from Daly City are Roberta Baldetti, Patricia Boyle, Beverly Hamilton, Darlene Haynes, Jacqueline Hulme, Marilyn Jones, Jane Kennedy, Patricia Lynch and Carolyn Faumer.

Mrs. Muriel Pabst has been added to the list of leaders assisting at camp.

Brisbane Citizens Vote On Bond Issue In Sept.

Funds for a complete new water project to serve Brisbane will be voted on September 4. At that time voters will give the red or green light to a \$175,000 bond issue. This was approved at a meeting of the Brisbane water commission.

BARGAIN DAY—That sign on the car in the center doesn't mean what you might think; it's not really selling for 75 cents—just 75 cents a pound. The novel idea of cars-by-the-pound was originated in Decatur, Ill. It works out about the same as the ordinary retail price in the end, but the novelty of the idea has increased business by 50 per cent, according to the dealer.

Whales have a larger amount of blood, in proportion to their size, than other mammals.

The United States was the greatest candy-producing country in the world in 1948.

BABY SHOWER HELD AT MRS. MUNDAY'S HOME

In honor of Lorane Munday, a beautiful baby shower was given at the home of Mrs. Bertha Munday, 360 San Diego avenue, recently.

Decorations for the table consisted of a centerpiece filled with blue and pink flowers. Mrs. Munday received a number of fine and appropriate gifts for the coming addition.

Present at the shower were Nita Murray, Virginia Webb, Ann Haake, May Baker, Eleanor Hawkes, Edith Hathaway, Virginia Fide, Irma McCowen and Bertha Munday.

Every section of the Yangtze river has its popular local name by which the natives call it.

COAST REGATTA ON S.F. BAY NEXT MONTH

Yachting fans will be in their glory August 17-21, when the Pacific Coast Yachting Association holds its annual regatta in San Francisco.

This will be the first time the association has held a regatta here. Founded in San Francisco in 1923, the association is composed of all the important yachting and boating clubs from Puget Sound and British Columbia to San Diego.

The regatta is being held here as a part of the California Centennial celebration.

Coast Guard Open House Coming Up This Sunday

Two sleek Coast Guard cutters, the "Taney" and the "Escanaba" will be on display during open house on Government Island this Sunday, July 31.

The open house will be staged for the first time on the Alameda island to celebrate the Coast Guard's 159th anniversary. Getting underway at 10:30 a. m., the celebration will feature a carnival, outing and gala events, and various forms of entertainment.

During the day the public will have opportunity to see the two aforesaid ships in addition to the complete Coast Guard installation. Interesting documentary films of the Guard in action in peace and war will be shown. Lifesaving practices will also be exhibited.

Harbor Tours will run launches from the Ferry Building every half hour, starting at 10 a. m., for a nominal sum.

It is anticipated that the public will be able to obtain some refreshments from the various booths on "Carnival Street."

Government Island is located at the foot of Dennison street, Oakland. The Island may be reached by private craft, or by motor via the Overpass at the junction of E. 12th street and 18th Ave., Oakland.

SALMON FISHING IMPROVES

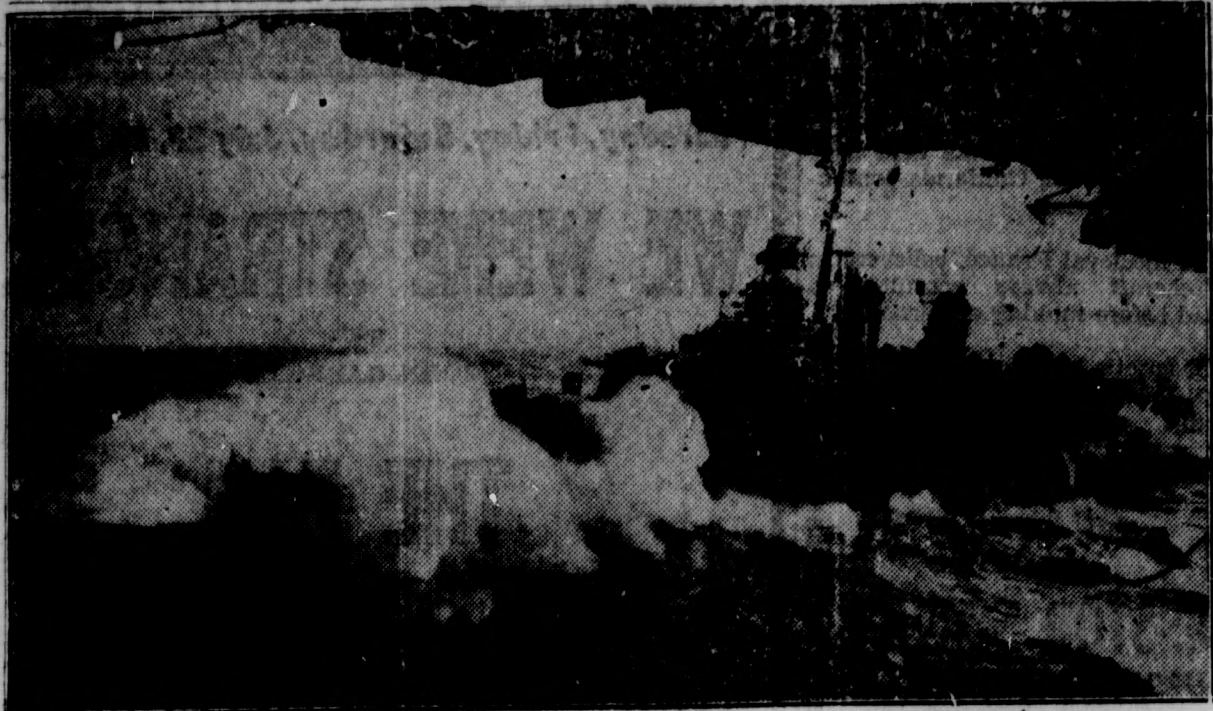

Salmon fishing improved during the past week along the Klamath River in the Del Norte County area, reports the National Automobile Club. A number of sizable fish are being taken every day.

SPORT FISHING EXCELLENT

Sport fishing has been excellent lately in the waters off Los Angeles County south of Point Vicente and especially in the waters off San Clemente Island, reports the National Automobile Club. Boats have been bringing in large catches of barracuda, white sea bass, calico bass, and albacore.

Eli Whitney patented the cotton gin before he was thirty.

REFUELING OPERATIONS UNDER ADVERSE SEA CONDITIONS—The USS ZELLARS (DD-777) is shown alongside and refueling from the USS KEARSARGE during recent maneuvers in northern Atlantic waters. (Official U. S. Navy photo.)

U.S. Post Office Marks 174th Birthday July 26

The United States post office is now celebrating its 174th birthday.

On July 26, 1775 the second Continental Congress of America created a post office department. Its headquarters were in Philadelphia with Benjamin Franklin as the first American Postmaster General.

During Franklin's term there were 28 post offices in operation, 14 of which were in Massachusetts.

Today there are 42,000 post offices in the United States, serving 143 million people.

2 PACKAGING MEETS SCHEDULED FOR S.F.

Those interested in packaging and packing will have an opportunity to see the latest developments in these fields next month.

From August 9-12 the second annual Western Packaging exposition will be held in the San Francisco civic auditorium.

The second western conference on packaging, packing and shipping will run concurrently with the exposition. The first session will be held August 9.

VACATIONISTS WARNED ABOUT SHADY SCHEMES

Words of advice on how to avoid being a victim of a vacation racket were given today by the Better Business Bureau.

The Bureau warned that touring Americans get "taken" for many dollars each year by petty rackets and shady schemes.

If the tourist wishes, to avoid the "reservation gyp" he'd best make reservations ahead of time. This racket consists of charging higher rates for tourist rooms, cabins and other sleeping accommodations as the hour gets later.

Be on guard against "unofficial guides" who accost the traveler on the outskirts of resort towns. It is best, the Bureau claims, to seek the assistance of some reputable touring service.

Watch for the hitch-hiker. He may be a deserving college student, but then again the tourist may pick up an experienced robber.

Kiddies may find roadside zoos amusing, but while junior watches the bears, papa may get "shilled" by wolves of another sort into trying the old shell game or a few passes with the dice.

Be careful of hidden traffic signals, and 10 mile an hour speed limit signs in small print. The out-of-state license may be the tip-off for John Law to get busy, as some small towns still depend upon motorists to fill the municipal coffers.

Clean That Gun, State Deer Hunt Legal Next Month

Deer season opens in California Sunday, August 7.

During this first half of the season, a bag limit of two bucks will be legal in the central and south coastal areas, the California game department reports.

The season extends until September 15. Open season in the balance of the state extends from September 16 to October 15.

In addition to San Mateo county, the two coastal areas include: Mendocino, Lake, Glenn, Colusa, Yolo, Napa, Solano, Sonoma, Marin, Contra Costa, Alameda, Santa Clara, San Benito, Monterey, San Luis Obispo, Santa Barbara, Ventura, Los Angeles and Orange.

Western portions of San Joaquin, Stanislaus, Merced, Fresno, Kings, Kern and Riverside counties are also included.

Last year's record total of 300,000 hunters is expected to be exceeded this year, according to the bureau of licenses. Official and semi-official estimates place the current state deer population as somewhere between 650,000 and 1,250,000.

EXPECT THE UNEXPECTED

Motorists who would drive safely in modern traffic must learn to expect the unexpected, advises the National Automobile Club. As long as other drivers follow the expected pattern in speed and movement, all will go well. But, when that other fellow suddenly comes to a stop, suddenly whips across in front of the moving stream, or breaks through a stop sign that he didn't see, then the wise motorist must be ready to make quick decisions and even quicker actions. The wise motorist expects the unexpected.

Vineyards to produce wine were started in California around 1769 by Franciscan priests.

ACTIVITY CALENDAR

Clubs and other organizations are asked to contact the Daly City Record to inform them of any change in activities for the summer months in order that our activities calendar may be kept up to date.

Friday, July 29

9:30 a.m.—Meeting, Intermediate Troop No. 3, 101 Parkview avenue.

3 p.m.—Meeting, Brownie Pack No. 8, 101 Parkview avenue.

3:30 p.m.—Regular meeting, Brownie Troop No. 11, No. 4 firehouse, Peoria street.

7:45 p.m.—Christ Ambassadors Service, The Assembly of God Church, 6276 Mission street.

8 p.m.—Service, First United Pentecostal Church, 400 Crescent avenue.

Sunday, July 31

9:30 a.m.—Sunday school and Bible class, Bethel Lutheran church, 2525 Alemany boulevard.

9:30 a.m.—Sunday school, The Assembly of God Church, 6276 Mission street.

9:45 a.m.—Sunday School, Church of Christ, 474 San Diego avenue.

9:45 a.m.—Sunday school, Grace Church of the Nazarene, Santa Barbara and Vista Grande avenues.

9:45 a.m.—Sunday school, Grace Presbyterian church, Hanover and Evergreen.

9:45 a.m.—Sunday school, Lutheran Church of Our Savior, Junipero Serra and Garfield.

8:15 p.m.—Meeting, Colma Vista Grande Aerie No. 1848, FOE, 3346 San Jose avenue.

8:30 p.m.—Court St. Mary No. 1155, Catholic Daughters of America, Masonic Temple, 17 Hillcrest Dr.

State Production Makes Huge Gains

There may be unemployment in California, but during the past eight years the average number of factory workers has increased 95 per cent.

This was revealed today by the research department of the California State Chamber of commerce. They also report that manufacturing plants increased from 11,558 in 1939 to 17,845 in 1947.

Food and kindred products comprise most of the California manufacturing. An average of 120,400 workers turned out \$885,400,000 worth of goods in this field during 1947.

In transportation equipment there has been an increase of 226 per cent in number of production workers and 450 per cent in value added by manufacture in 1939.

OLD GLORY POST MEMBER IN JAPAN

A member of the Old Glory Post No. 2044, VFW, recently headed a "Buddy Poppy" drive in Yokohama, Japan.

He is M/Sgt. Stanley W. Cole, commander Yokohama VFW Post No. 9467, who announced his post collected a total of \$1,342.87 in the 1949 "Buddy Poppy" drive.

This total represents a profit of \$342.87 as \$1000 went to pay for the poppies which were sold. The profit will be put into a separate fund within the post to be used to aid needy veterans and their families located in the post area.

Sgt. Cole extended his thanks to Mrs. A. B. Mitchell and Cpl. Joseph Gordon, Tachikawa Air Force Base, for their outstanding work. He also extended appreciation to the Club 45, the Zebra club, the Seaside club, the YAE Enlisted Men's club and the Yokohama American Schools.

Douglas Fir

At the age of 80 years, the average fully-stocked acre of Douglas fir will cruise about 35,000 board feet of logs, as they are measured in the woods. The mills would actually manufacture 50,000 feet or so of lumber from these logs. In addition there are 80 or 90 cords of wood of sizes suitable for pulp or fuel.

4-H Salesmen

The 42,350 boys and 59,588 girls enrolled in 4-H clubs in the state of Texas last year sold more than four million pounds of beef and conserved 1,261,000 quarts of food.

Inspection Stamp

The familiar round purple inspection stamp on meat has been used by the department of agriculture for 40 years.

Safety Rule for Swimming

A good safety rule is always to swim with a partner. Among the fast-moving, noisy mass of people at a large pool or beach, a lifeguard may not be able to hear a cry for help or to spot a sinking bather. A swimmer and his buddy can look out for each other in such cases.

Fiesta Veterans Committee

These are the members of the Veterans' Advisory Committee to the San Mateo County Fair and Floral Fiesta Board of Directors. The members, left to right: T. Louis Chess, San Mateo; James H. Whitehead, Redwood City; Hugh H. Smith Jr., Daly City; Postmaster James J. Kehoe, San Mateo; Clinton D. Davis, Burlingame. Members will co-ordinate all veterans activities at the Fair and Fiesta this year.

Fiesta Flower and Garden Leaders

These are the ladies who will be in charge of all amateur flower, plant and garden displays for the San Mateo County Fair and Floral Fiesta this year. The Fiesta will be from August 10 to 20. Applicants who wish to enter the show should contact Fireside 5-9507. Left to right, the ladies are: Mrs. Leonard Wood, Hillsborough; Mrs. E. G. McGinnis, Buri Buri; Mrs. Richard Zemke, San Carlos; Mrs. J. F. Kueper, San Bruno.

YOUR NATIONAL GUARD DIVISIONS CONTINUE THE OLD TRADITIONS

This is the twenty-sixth of a series on the Infantry and Armored Divisions of the new National Guard. They are presented to acquaint you with the organization which will be an integral part of the nation's M-Day Force, trained, equipped and available for immediate service with the Regular Army in the event of any emergency.

51ST INFANTRY DIVISION—Added protection for two of the South's key coastal states is embodied in the 51st Infantry Division—one of the newest fighting units of the post-war National Guard. Despite the fact that the 51st Division of South Carolina and Florida was first organized in 1947, however, its traditions date back almost to the birth of the Nation itself. The 118th Infantry Regiment had its beginning as the Washington Light Infantry of Charleston, S. C., in 1807 and other famed Southern companies, such as the Sumter Guards and the Richland Rifle Club, were also the forerunners of units of the famous 118th.

Since their organization these units have fought in every conflict involving the United States—War of 1812, Indian Wars, Mexican War, Civil War, and World Wars I and II.

Some companies of the 118th Infantry, which won 6 of the 78 Medals of Honor awarded in World War I, still meet in their original muster rooms, with some of the same family names answering roll call.

During World War II, the 118th Infantry served in Iceland and England and fought with distinction in France, Belgium and Germany. The other two infantry regiments of the 51st Division, the 211th of Florida and the 218th of South Carolina, are both newly organized.

The 116th Field Artillery Battalion of Florida originated just before World War I from Field Artillery units of Georgia that fought in the Spanish American War. During World War II, the 116th fought in the Pacific with the 31st (Dixie) Division.

The 129th Field Artillery Battalion of South Carolina had its origin with the 118th Infantry in 1808.

The Commanding General of the 51st Division is Major General Sumner D. Lowry, of Tampa, Florida.

The shoulder insignia is a pentagon with one point up signifying the 51st. The left side of the pentagon is ultramarine blue and the right side is golden orange representing the flags of Florida and South Carolina. In the center of the pentagon is a coiled rattlesnake representing the 51st's motto, "Ready to Strike."

Commercial Sponges
Many species of sponges cannot be used commercially because of glasslike needles embedded in their tissues. The true commercial sponges, when alive, are of varied somber colors from yellowish gray to coal black. Most of the work of detaching the dark, liverlike flesh from the valued skeletal network is done by giving it a few days to decompose on lonely island shores near the sponge-harvesting beds.

Origin of Domestic Cattle
Domestic cattle are descended from wild cattle of the genus "Bos." Five groups are generally included in this genus. It has been estimated that cattle have been domesticated since 4,000 to 5,000 B. C. Cattle of Zebu or Indian origin have increased with astounding rapidity on the ranches of the United States.

AIR FORCE SQUADRON MAPS HUGE AREA OF ARCTIC WASTES

The formidable peaks of Mt. McKinley and adjacent wild terrain in Alaska mountain ranges which for years have defied exploration fall easy prey to the probing cameras of the U. S. Air Force 72nd Photo Reconnaissance Squadron. Mt. McKinley, highest mountain on the North American continent, as it soars to 20,300 feet, is a familiar sight to the crews of the B-29's of the Squadron that travel back and forth over such areas to make overlapping photographs for much needed charts.

More than 260,000 square miles of Alaskan terrain has been photographed by the Squadron since its arrival in Alaska in 1946.

Here S/Sgt. R. H. McLeod, Seattle, Washington, passes E-17 camera to T/Sgt. Lewis White, Salado, Texas. Magazines on cart (right) are fixed into position atop cameras after they are mounted. Each carries a 200-foot roll of film and rolls are easily changed in flight. As many as 30 loaded magazines are used on one mission. (U. S. Air Force)

State Historical Caravan Will Be Here In August

Coming to this area next month will be the Historical Caravan of the California Centennial commission.

The caravan consists of two buses in which are assembled some of the state's rare historical items. These range from a brass plate Francis Drake affixed on California's shores in 1579 to the gold spike that linked the first trans-continental railroad.

During the first two weeks in August the caravan will be in South San Francisco, San Bruno, Millbrae, Burlingame and San Mateo.

The buses in which the exhibit is encased are so designed as to form a single display unit when being viewed by the public.

Historical objects and documents in the exhibit were loaned to the commission by more than 20 universities, museums, libraries and private individuals in various parts of the country.

Among the rare items on display are: the diary of Don Gaspar de Portola, Father Junipero Serra's personal bible, the first book and newspaper printed in California and the only existing survivor of the Donner Party tragedy — a doll.

This travelling museum will be driven during 1949 and 1950 from Mexico to Oregon and from the eastern slope of the Sierra to the Pacific Ocean.

McLaughlin Named To Welfare Post

John L. McLaughlin is the new chief administrative officer of the state department of social welfare.

McLaughlin replaces Walter Chambers, who resigned because of ill health. The changes take effect August 1.

The appointment of McLaughlin is the first step in a comprehensive reorganization of the department which will involve promotions of several bureau chiefs.

McLaughlin has just completed an assignment for the state personnel board as assistant state training officer and his experience includes service as a personnel officer for both the department of agriculture and the department of veterans affairs.

Sheep have two skins, separated by a layer of fat.

A good shearer can shear from 100 to 200 sheep a day.

The first sailing club was established in 1720 in Ireland.

The final appearance of an English king in battle took place in 1743.

Population estimates for Africa are less accurate than those for any other continent.

Gold Panning Contest At Fair

World champion gold panner of '49 will be named this year at the California state fair in Sacramento.

Open to all qualified contestants, the contest will be held on the opening day of the fair, September 1. A top prize of \$500 will be given the winner, with other cash prizes for his closest rival.

There are many gold panning experts still living in the famed Mother Lode area and in other parts of the West who are expected to take part in the contest.

All those who wish to compete should send their entry to the Gold Panning Contest, California State Fair, Sacramento, stating their qualifications and listing their age and address.

Asparagus Stalks

The flavor of the butt ends of the asparagus stalks is not sufficient to warrant canning them. The more tender portions, however, when cooked in the boiling water left over from the canning process are satisfactory for immediate serving or for soup. Overmature stalks are also good for soup.

Improved Grass Variety

Mandan wild rye, an improved variety of native Canada wild rye, is winter hardy, an exceptionally high yielder of seed and forage. Principal grass virtues are its ease of establishment, rapid growth and high seed and forage yield. It is useful on sandy soils where a fast-growing cover crop is needed.

...and Mickey just yawned! Yes, David Gillespie, one of the first entries for the San Mateo County Fair and Floral Fiesta's first annual Mutt Day, set for Friday, August 12, just couldn't get Mickey to cooperate. But come August 12, things will be different, David promised. All girls and boys between the ages of 5 and 15 can enter their mutts by obtaining entry blanks at any pet shop or Veterinarian in San Mateo county. Among the classes are included: Mutts with shortest ears; mutt with shortest tail; mutt with longest tail; best trained mutt displaying two tricks and best mutt in show. Closing date for Mutt Show entries is midnight, August 7.

HEAT BEFORE DRAINING

The automobile engine should be thoroughly warmed up before draining old oil from the crankcase. Cold oil will not flow readily and therefore has a tendency to leave a greater amount of sludge and other foreign matter in the engine than would normally be removed by the heated oil.

Hunting with firearms is practiced on a larger scale in the United States and Canada than anywhere in the world.

About two-thirds of the inhabitants of the world are now periodically counted by means of a census.

Restless Sleeper

The average sleeper, as studied by scientists, has been found to turn at least 20 to 45 times per night. This number is sharply increased in case there has been any mental or emotional disturbance before going to sleep. For instance, a young man, whose best girl had gone out with a rival, moved 200 times during sleep, when he normally moved only 72 times.

Remains of a prehistoric flying reptile with a wing-spread of 18 feet have been discovered in Kansas.

The famous opera "Madame Butterfly" was pronounced an absolute failure when it was first performed.

Moth Fiction Exploded

Many believe that wrapping clothes in newspapers will protect against moths because of a mysterious quality in the ink with which the papers have been printed. This is fiction. Putting garments in paper or zippered bags is effective only if every opening has been completely sealed.

Crow Is Gregarious

Crows, except during the nesting season, are gregarious. After the young ones are out of the nest, flocks ranging from half a dozen to more than a thousand may be seen in fall and winter at some favorite feeding, drinking or bathing site.

Wash-Day Hint

Wash benches and swivel wheels eliminate much of the stooping and heavy lifting of wash baskets on laundry day.

Farm Marketing

Of the nation's six million farms, the top one-third marketed 84 per cent of all farm products sold, the middle one-third about 13 per cent, and the bottom one-third sold only 3 per cent.

Glycerine Coatings

Glycerine, which until recently, had seldom been seriously considered in connection with the products of the paint, varnish and lacquer industry, has become an important factor in the manufacture of protective and decorative coatings. This is due to the extensive use of glycerine in the manufacture of synthetic resins, including ester gums, which, in turn are used in the formulation of important coatings, many of them highly specialized.

COUNTY SEEKS \$222,000 FUNDS FOR HEALTH SITE

Federal fund allocations of \$222,000 will be sought by San Mateo county for a county health center in San Mateo.

County Health and Welfare Director Dr. Harold Choche was authorized to seek the money last week by the county supervisors. At the same session the supervisors approved plans for the county's \$1,500,000 tuberculosis hospital at the site of Canyon sanatorium.

August 4 will be the date of a hearing before the state hospital advisory council on the fund question.

It is expected the 20,000 square foot clinic would cost \$327,000. The county already has \$114,000 saved from state subsidies and federal subventions.

Tanks holding water for tropical homes usually contain small fish put there to eat mosquito larvae.

The title "Progressive Party" has been used by third party movements in the United States three times.

State Schools Get More Money

Increased financial support will be forthcoming for California schools during the next fiscal year.

Governor Earl Warren recently signed a bill to boost the basic allowance given schools for each student.

Money left over from last year's school support appropriation will finance the increase. Increases per each student in average daily attendance are:

Elementary school districts of 35 or more students, from \$145 to \$148. High school districts, from

County Planning Board May Soon Help Local Towns

Best methods of handling eyesore city fringe areas were discussed at a meeting of Peninsula city officials last week.

The meeting was the regular gathering of the Peninsula mayors.

\$175 to \$185. Junior college districts from \$200 to \$210. County maintained schools for physically handicapped children, from \$175 to \$185.

and city managers' group of the League of California Cities. Countyman Fred Bertetta represented Daly City.

It was generally agreed that smaller cities, or fringe areas, should seek help from the San Mateo county supervisors and planning commission for improvement of their appearances.

"Use of the knowledge of trained technicians on the county commission is available to the smaller cities," San Mateo Supervisor Edward McDonald said.

McDonald asserted that cooperation between cities and the county would help the general appearance of some of the small communities.

MODERN FORTY-NINERS—It used to be that a prospector was satisfied with a mule, a pick and a shovel. But time marches on and these miners locate their treasure with the aid of a complicated geiger counter. They're looking for uranium in the bush country of northern Ontario, Can.

ELKS OF WORLD TO MEET AT S.F.

Local Elks will have an opportunity to visit with brother Elks from all over the country August 20-26.

At that time the Improved Benevolent Protective Order, Elks of the World, will hold its 50th Grand Lodge convention in San Francisco.

Features of the convention will include a parade and the annual oratorical contest August 23. A special train will arrive here from the east with delegates on August 20.

The order has 582,000 members throughout the United States, Panama Canal Zone, West Indies, Honolulu and South Africa.

Moose Women Note State Centennial

Observing the California centennial, Women of the Moose, Chapter No. 739 will wear 49 dresses at their regular meeting August 3.

Mooseheart Alumni chairman Janice Winton will be in charge of the meeting which will also feature the initiation of several new members.

Committee reports will be submitted by those in charge of publicity, membership, homemaking, social service and Mooseheart alumni.

Meanwhile other meetings scheduled next month include:

August 3: Sewing unit will meet at noon. Committee in charge, co-workers Proval, Winton, Peterson, Sciaccia and Goodreau.

August 14-19: Women of the Moose and Loyal Order of the Moose National Conference. There will be a parade up Market street, lasting four and one half hours.

August 10: Officers meeting at the home of Treasurer Sciaccia, 2607 Thirty-eighth avenue.

GUAM MAIL UNDER CUSTOMS REGULATION

Those planning to ship items to Guam were advised today of a new change in postal procedure.

Acting Postmaster John F. Fiza said certain articles imported into Guam are now subject to a local tax. Consequently all parcels coming from the United States must be accompanied with customs declaration forms.

No parcel shipment addressed for delivery at the Island of Guam will hereafter be accepted for mailing unless accompanied with customs declaration form No. 2966.

This form may be secured at any post office and must be completed by the sender.

Make Paper by Hand
Hand paper making is still a sizable industry in Japan. A relatively modern machine can produce as much paper in 20 minutes as one man can make in a year, but the hand products are superior in strength and beauty.

Plain Sewing, Mending and Alterations. Florence's, 103A Broad St. JUNiper 5-5647 evenings.

FURNITURE FOR SALE — Mohair Chesterfield & Chair, excellent condition, \$50. Call after noon. 539 Hanover street.

APT. FOR RENT — Partially furnished, 3 rm. newly decorated apt. \$50 month. Utilities furnished—289 Hillcrest drive, JU 5-7547.

S. M. COUNTY SOON TO HAVE ICE RINK

Residents of San Mateo county may soon have an opportunity to hear the "Skaters Waltz" while on skates.

San Mateo county is to have a new ice rink at the northern extremity of San Carlos. Plans are to build a 250 by 110 foot building which will have a rink area of 85 by 185 feet.

Construction by the Peninsula Ice and Cold Storage Co., is expected to start early this fall. Volunteer workers are now going throughout the county in an effort to raise the needed \$240,000 through the sale of stock in the enterprise.

San Mateo county educators have given their full support to the rink. Pansy Jewett Abbott, county superintendent of schools, said there was need for additional recreation facilities.

"By erecting a rink in San Carlos, there can be county-wide participation of the sport for pleasure," Miss Abbott said.

Other educational leaders have joined with Miss Abbott as members of the citizens sponsoring committee for Peninsula Ice and Cold Storage Co.

BLACK BASS ANGLERS HAVE LUCK

Black bass anglers have been enjoying first-rate sport during the past week on the local farm ponds of Marin County, reports the National Automobile Club.

STATE JOBS OPEN IN EDUCATION

Field representatives in school planning are now needed by the state department of education.

Three positions, starting at \$395 a month, will be filled by a California state civil service examination to be held August 20, 1949. Applications will be received by the state personnel board through August 6.

To implement the task of planning for \$1,300,000,000 in California school construction by 1954, the men will be employed in re-districting.

Other civil service positions now open with the state include:

Car Inspector and Repairman, prevailing rate, August 20.

Regional business manager, department of social welfare, \$505, September 1.

United States citizenship is required of all candidates. Details about these examinations and application forms may be obtained from the state personnel board office. This is located at 1015 L. street, Sacramento, or at 107 State Building, San Francisco.

IT CAN'T BE DONE!

You can't stop your automobile on a dime, or a dollar, but the mistaken belief that it can be done has cost many dollars and lives, says the California State Automobile Association. Keep alert, and give yourself plenty of time and distance in which to apply the brakes.

SEALS INSTRUCT
OVER 400 YOUTHS
AT BALL SCHOOL

When 400 youths clamor to go to school, chances are that school will be hailed as a success.

Such was the case in the summer recreation program's first baseball school, held at Jefferson high school last Thursday and Friday.

For two days, hopeful baseball players and just enthusiastic fans, turned out of the sack early in the morning to make classes in fielding, batting, pitching and base running.

Teachers for the classes were none other than those experienced horsehide experts, the San Francisco Seals. Donating their time, skill, and energy for the school were players Con Dempsey, Reno Chesno, Roy Jarvis, Steve Nagy, Brooks Holder, Cliff Melton, and scout Al Flores.

During the first class session, all of the players gave brief talks on their various team positions. Young ballplayers were given oral tips on what makes a good and bad player.

Then turning to the field, the teachers took groups of boys to various playing spots. Each of the ballplayers demonstrated the ins and outs of the positions they hold on the Seals.

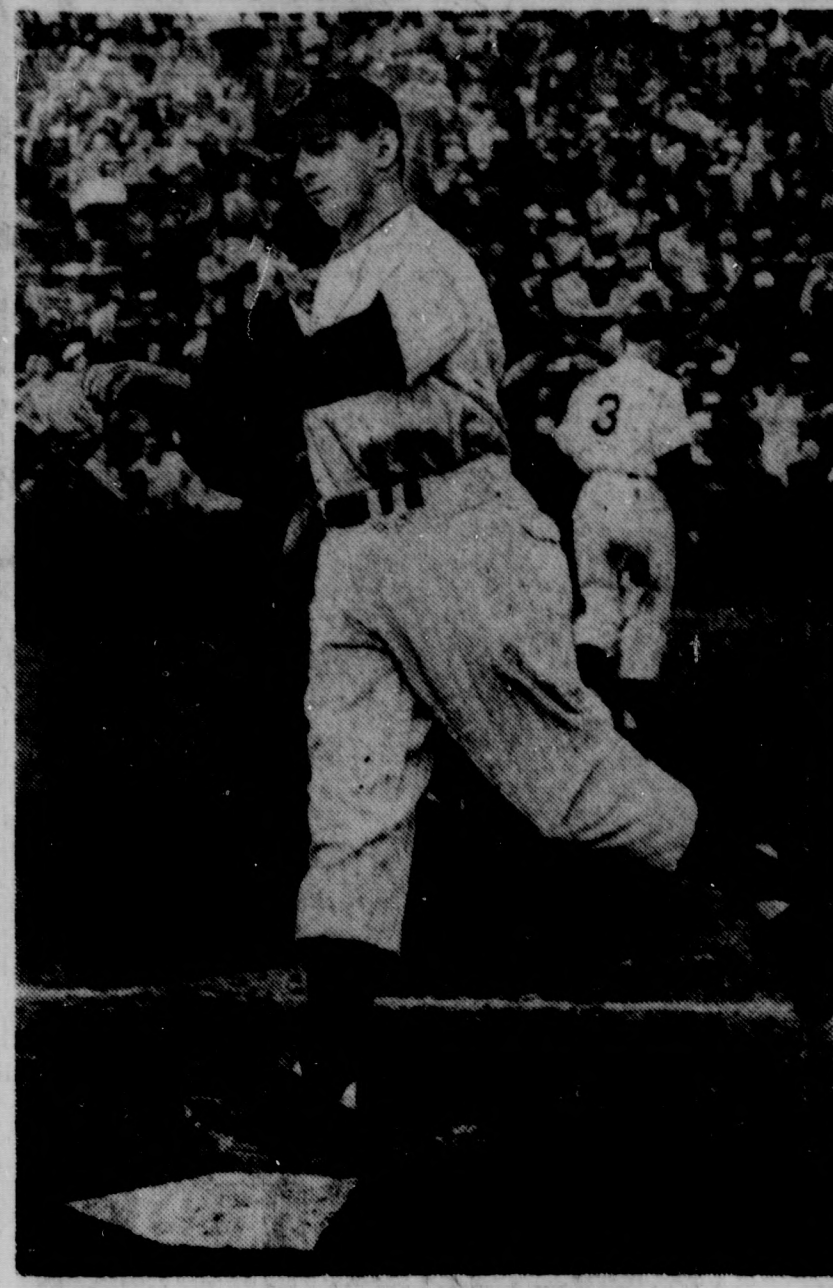

Following the demonstration, the students were given an opportunity to show their skill. As each of the boys stepped up to bat, pitched, or fielded, one of the Seals gave constructive criticism of his work.

Hailed by both teachers and sponsors as one of the best baseball schools in this part of the state, it is hoped it will be repeated next year.

Recreation officials plan to have a four day school in 1950, with an all star game completing the courses. In all probability the winners of the all star game, or the best player, will be given some type of valuable award, officials said.

TROUT FISHING GOOD

Trout fishing has been good during the past few days along the Middle Fork of the Feather River in Plumas County, according to the National Automobile Club. Fishing has been fair generally in this area.

DON'T DRIVE

In the mathematics of highway safety, one intoxicated driver plus an automobile equals danger. Don't drive if you've been drinking, even though you think your judgment and skill are unimpaired.

Wednesday is named after Woden, a deity of the Anglo-Saxons.

Commercial Penicillin

According to a joint statement made by the United States Public Health Service, the United States Food and Drug Administration and the committee on medical research of the OSRD, commercial penicillin "is not a single substance, but a mixture of several," identified by the letters G, X, F and K. Much commercial penicillin contains K, which is said to be "relatively ineffective against the several infections against which it has been experimentally studied," because of the ease with which it is destroyed in the body.

There are 40,000 kinds of fish known to science.

Omar Khayyam, author of the Rubaiyat, was also a great mathematician.

Windmills first became common in Germany and the Netherlands.

In China and Japan, windows are usually covered with paper, cloth or shell.

Bleaching Fabrics

Bleaching may be done by using a reliable bleaching agent and by following the manufacturer's directions. Special care should be taken with delicate fabrics. Bleaching solution left in clothes continues its work. Therefore the amount used, the temperature and the time should be carefully controlled. Fabrics which have been treated with bleaching agents should be thoroughly rinsed until all of the bleach has been removed. Ordinarily, colored fabrics should not be bleached. Chlorine solutions should not be used on silk or wool.

Uphold Court's Integrity

Only one justice of the United States Supreme court has ever been impeached—and that one was acquitted and resumed his seat on the bench, according to the Encyclopedia Britannica. Articles of impeachment were brought before the senate against Justice Samuel Chase in 1804 because of his activities in behalf of the Federalist party.

Cooking Ducks

Wild ducks can be roasted successfully in an uncovered pan. Keep the oven temperature moderate (325 degrees F.). Allow 20 to 30 minutes per pound of bird for roasting time. Wild duck meat is not only darker than tame duck but is drier. You can keep it moist by laying a few strips of bacon across the breast or baste the bird frequently with the juice of an orange—a flavor that is especially pleasing with duck.

TEST YOUR I. Q.

1. When and where was the first peace conference for World War II?
2. What three items about a counterfeit bill are most likely to show it up as bad?
3. What state got its name from

Indian words meaning "Light on the Mountains?"

4. How many nations originally signed the new North Atlantic Treaty?
5. What is a Nieman Fellowship?

Food Storage

Light fades the colors of canned food making it less attractive and decreasing the vitamin content, specialists of the Agricultural Extension service point out. If foods are stored on light shelves an old window shade can be put in front of them to keep the light out. The shade can be raised or lowered to get supplies.

Answers to
TEST YOUR I. Q.

1. At Paris, France, July 29, 1946, the first peace conference for World War II opened.
2. The portrait—dull, smudgy or scratchy; the colored seal—sawtooths uneven and color indistinct; and the paper—lacking in genuine colored threads.
3. Idaho. The Indian words were "Edah hoe."
4. Twelve.
5. The Nieman Fund at Harvard University was established in 1937 for the purpose of educating persons "deemed especially qualified for journalism." Fellowships for a year's unrestricted study are given to working newsmen with three years' experience.

STRICTLY FRESH

MANY educators are concerned over Communism among school teachers. They want the pupils to be educated, but not well-Red.

People who manage to beat the heat usually end up in a breeze.

The bathing beauty queen is on the way out, beauty experts say.

And millions of male eyes will follow her passing with interest.

Women who fell for the charms of Sigmund Engel, the aged Lothario, loved and lost—their bankrolls.

Packers say their canned meat sales this year will top last year's record of 1,100,000,000 pounds. They've got no beef.

Use Old Felt

When you are cleaning and sorting clothes, don't discard your old felt hats. Save them, as they can be useful. Cut to shape and use the felt for coasters or vase pads or for any other object that always scratches the table. Be sure colors are moisture proof.

Beet Sugar Marketing Quota
The sugar act of 1948 fixes the nation's beet sugar marketing quota at 1,800,000 tons each year for the next five years.

MacArthur Stamps
The New Philippine republic honors Gen. Douglas MacArthur with three new stamps, each bearing his portrait. The stamps are four centavos gray-violet, 6-c red and 10-c blue.

Turkey Feathers
Use of turkey feathers for industrial purposes apparently has a promising future. Already they are being used extensively for millinery purposes, in production of fine cloth, and in other ways.

The port of New York is unique in that it is within the boundaries of two states, New York and New Jersey.

Wine is the only beverage to improve with age in the bottle, according to the Encyclopedia Britannica.

The 1928 Olympic games were the first to include women's athletics.

"Keep Homefires Burning"
The Second American division entered the line on the Marne on June 4, 1918.

SFU To Put On First SF Play

Performance of the first play ever put on in San Francisco will be given by the University of San Francisco next weekend.

The play, "Charles II" will be given at the dramatic museum, Portsmouth Square on Saturday and Sunday, July 30 and 31.

Written by Washington Irving and John Howard Payne, the drama was first produced here in Washington Hall in 1850.

One of several buildings which have been erected by the San Francisco Centennial Committee, the dramatic museum has a capacity of about 300 persons.

Stuart Bennett, director of the University of San Francisco college players, announces that the cast will include: John Clark, Aldo Bozzini, Bob Barron, Clarence Severs, Joan Elliott and Betty Bennett.

STATE VETS GET RECORD NUMBER FARMS, HOMES

Farms and homes were acquired by 532 California veterans during June, thanks to the state department of veterans affairs.

The department advanced \$3,666,453 to the exservicemen. This is an all time high for any month in the history of the department.

Money to finance the program comes from bond issues authorized at general elections. The interest paid by the veterans on their long term farm and home contracts retires the bonds and covers the expense of the program.

Since its inception in 1922, the farm and home purchase program has assisted 33,477 veterans. The majority of these were World War I veterans. But the rate at which the World War II ex-GIs are catching up is shown by the June figures of 515 younger veterans and 17 from World War I.

DANGER — CROSSING
Always slow down when approaching a railroad crossing, urges the Calif. State Automobile Association, which points out that the Vehicle Code limits speed to 15 miles per hour at railroad crossings unless the tracks are clearly visible for 400 feet in each direction.

CHECK SPARE TIRE
The spare tire should be checked each time the other tires on the car are checked. The spare loses air pressure just as rapidly as the tires on the wheels, and a spare tire that is nearly flat is of no value in an emergency.

Psalms Exemplify Joy in Praise And in Worship

"I WAS glad when they said unto me, Let us go unto the house of the Lord."

So writes the Psalmist in Psalm 122. That note of joy in praise and worship is expressed in many Psalms, and is typical of them all.

This joy was in the certainty concerning God and the spiritual foundations of the world and life. It had its deepest expression in the 46th Psalm, in which the writer was sure of God as a refuge, a "very present help in trouble," even "though the earth were removed, and the mountains carried into the midst of the sea."

That note of joy in religion is, of course, uppermost in the Christian experience. Paul constantly proclaims it, and it was exemplified in that scene in the darkness of a Philippian jail (Acts 16), when at midnight, in the inner prison, with their feet fast in the stocks, he and his companion, Silas, prayed and sang praises unto God.

The New Testament counterpart of the 46th Psalm—of enduring and incorruptible faith—is found in the closing verses of Romans 8, where Paul, having listed all possible human experiences, and then all possible powers and forces, says that none of these "shall be able to separate us from the love of God, which is in Christ Jesus our Lord."

The devout Christian had the advantage of the example of the Master, Jesus Christ, and the faith in the Resurrection in its triumph over death and the cross, so that the depth of the note of joy in the Psalms, written many years earlier, is all the more remarkable. Whence came this strong faith, and this triumphant joy?

Its deep foundation was in a sense of right and wrong, a faith in the integrity of the universe. "There are set thrones of judgment." "Shall not the judge of all the earth do right?"

Hospital Relief Given Workers

California is now the first state in the nation to provide hospital insurance for workers covered by the unemployment insurance program.

Under a bill signed by Governor Earl Warren, approximately 3,000,000 wage earners in the state will be eligible to receive \$8 a day toward their hospital bills up to 12 days in any one year.

The old program called for the workers to collect up to \$25 a week for 26 weeks when they became unemployed because of sickness or disability. Now, without increasing the contribution of one per cent of his wages, a worker receives the hospitalization payments.

The bill becomes effective October 1, and hospital payments under the program will begin on January 1.

SAFE BRAKES

For your summer vacation driving and for your own safety, make sure that your brakes are in safe operating condition. Remember, says the Calif. State Automobile Association, that the California Vehicle Code specifies that your car's foot brakes, must be capable of stopping your car in a distance of 37 feet from a speed of 20 miles per hour.

Report On Small Craft Harbors

Small craft harbors along the coast from Monterey to the Oregon line received a boost recently from the Army's Corps of Engineers.

In a report, the Engineers proposed 15 harbors for light-draft vessels in the area. These will include harbors in Santa Cruz county, Sonoma county, Mendocino county, Del Norte county, two each in Monterey and Marin counties and three in Humboldt.

Further investigation of sites, primarily for recreational harbors, was recommended for Santa Cruz, Tomales Bay and the mouth of the Russian River. Still under Army study are proposed shallow draft vessel projects on San Francisco Bay and its tributaries.

About 13 per cent of the live weight of a pig is the lard.

Porridge is known in Ireland as "stir-about."

Wine was produced in Egypt as early as 2400 B. C.

Probably one out of every four Swiss knows how to ski.

The word devil means "little god."

Wolf-hunting was a favorite pursuit of the ancient Britons.

In the fiscal year 1947-48 the FBI handled and solved 33 kidnapping cases.

About 34 million man-days of labor were lost through strikes in 1948.
